phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

: bu765@torfree.net (Mike Corley) quoted a typical, overblown Bernard Levin
: piece, which sounds exactly like any number of other pieces by Levin over
: the past thirty years.

: He then goes on to draw an anguished parallel with a totally unrelated
: incident that had happened between him and a friend a few days earlier.

It is in the same style as his other pieces, but it's so close to what
actually happened a few days previously, that it's completely reasonable
to assume that someone told Levin about the meeting, hammed it up a
little bit and motivated him to write that article.

Look at the parallels;

1. "madman running loose about London"

2. it's about a meeting which took place recently

3. the police are called (he must be controlled, however much that
consumes in resources)

4. he might be violent, approach with caution, yes we're laughing but
really we're afraid of him, or is it perhaps our own propaganda that
we're letting manipulate us

5. he "bursts into tears, and swears it's all true - and it is" a very
exaggerated impression of the conclusion of that meeting

Don't worry if you don't believe me, neither my friend to whom I
explained this nor my GP believe me either (until the friend found out
otherwise!). If someone just presented this to you as I am presenting it
now then I wouldn't find it credible (most likely), so it's not until you
actually find out it's true that you can find it credible. And by then
it's too late, because they've got you in their trap and explained how
"funny" the abuse is.

Given that Mr Corley clearly holds a certain fascination for some people,
and that his website, although "informative", isn't exactly ideal for
encouraging discussion of the sort that we all enjoy so much (including
Mike himself, by the look of things), would anyone be up for a Mike
Corley newsgroup - uk.fan.mike-corley, alt.fan.mike-corley, whatever?
(Sorry, I'm not very well up on these things.)

This would be a perfect place for Mike to post his writings, and perhaps
the occasional "look at the ...mike-corley newsgroup" posting in uk.misc
and so on would be accepted in place of the current cross-posts.

So Mike write to John Major, c/o the Private Secretary, 10 Downing Street, London SW1A 2AA and ask the Prime Minister to help you. I'd normally disclose his fax numbers but if I did that you might jam up the lines with abusive postings just like you do here on Usenet.

Is anyone interested in joining with me to do a mass e-mailing of protests to Anon Penet and to Toronto Free Net in an attempt to flood their computer systems thus forcing them to seriously consider pulling the plug on Mike ? I'm not sure but is my proposal called a "flame" ?

Perhaps we should give Mike 7 days from today (6 July 96) to come to his senses and they start a massive multiple E-mailing campaign to Toronto Free Net. If all us victims send multiple copies of E-mails to the right addresses in Toronto then perhaps the Canadians will begin to get the appropriate message.

Come on "Big Ears", why don't you admit that you made this posting? This is exactly the same line you were feeding me a few months ago. The posts are from the same news server, it's even the same newsreading software (Forte Agent .99e/16.227).

I'm afraid that if you friend "in the know" denied the existence of a plot then he was being, as they say, economical with the truth. Judging by the extreme reaction in London in May, and the panic you're showing now, as well as the replay post yesterday, I would say that things are hotting up again. But for you this time, not for me. I am out of harm's way, and there is very little you can do as long as I stay out of the UK.

Any one want to add a guess on the change in ARS numbers due to dropping the code?

1) Predict amount of change in ARS numbers between the IMPLEMENTATION date of the R&O for elimination of code testing and one year from that date.
2) Calculation of the number of licenses will be done by N2EY under the same principals that he uses now to calculate the number of licenses.
3) You must select whole numbers for your percentage.
4) You may select positive or negative percentages.
5) You may select a range but that range may not exceed a total of 4%. Note that your average will be used to determine who is closest. If the actual change is outside the range of everyone's guesses then the person whose limit is closest will be the winner.
6) You must submit your guess no later than six months after the IMPLEMENTATION date of the R&O.

Anyone else? Note if your guess doesn't show up on the list within a week, it may mean that my ISP is blocking it or that you are on my blocked senders list. You may still participate but you will have to have your guess submitted by someone who is not blocked.

Guesses submitted:

N8UZE: 1% less to 1% more
N2EY: 1% more to 2% more
KH6HZ: 1% less to 0% change
N3KIP: 2% more to 6% more
KH6O: 6% more to 10% more
KK6J: 12% more to 14% more
KC2HMZ: 5% more
K8BSG: 2% to 3% more <--- Added 02/18/06

Can't disagree with that sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?
I remember reading a report by some jouralist who had been offered an extra
tax-free income by MI5 to become their covert mouthpiece, and had refused.

Bet you lots of others didn't refuse. Why do you think MI5 have such easy
access to the BBC and media? Because they're directly paying them off, that's why.

It has been reported several times. The most recent was in Private Eye,
a few months back. As I recall they also wanted information from him;
journalists would be a natural choice for members of the Security Service
and the Secret Intelligence Service for information sources.

He was most concerned that many others would have accepted such an
offer. However, we can probably make an educated guess as to some of
those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher
would come near to the top of the list.

This is true. I frequently employ private detectives to spy on people
(there's a good reason for this and I'll tell you if you guess
correctly) and one such detective showed me the latest technology only
last week. A small rucksack. One strap of the rucksack has a tiny hole
in it that you wouldn't notice unless someone pointed to it. That's the
camera: the wires lead into the rucksack itself where there is a video
tape recorder little bigger than a Walkman. I don't know if that's what
Roger Cook uses but it certainly explains why it is that the subject can
look straight into the lens and not realise (s)he's being filmed. Now, I
say "latest technology" and I think that's the technology that the
police use as well as the retired police who become private detectives,
but no doubt the security services have far more sophisticated
equipment.

: remember as a boy daydreaming that maybe I was the focus of national

: attention in a "let's follow the life of one person from life to
: death" study - that while I was out or in bed there were programmes on
: the television about my life so far, etc. It makes for a good fiction,

Perhaps MI5 have become victims of their own paranoia. Their agency has been thought of as acting disreputably, so when their decision arrives, they don't think twice about breaking the law. Whereas say CSIS (the Canadian equivalent) is at pains to point out how it would never ever do anything in contravention of the law, and how it is strictly controlled in what it does and how it does it.

If this matter does ever make it into the public gaze, then it won't just be a few individuals in the media or security service who'll get hit. The UK is supposed to be a civilized democratic country (East Germany called themselves a democracy and they had the Stasi, but anyway). In a civilized country these things shouldn't be happening - and it is ultimately Parliament and the government who are answerable for not imposing sufficient restraints and accountability on those who are supposed to be ensuring security for citizens, not jeopardising it.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

Well, the "legal option" has just foundered on the rock of lawyers refusing to deal with me on the grounds that my perception of harassment must be due to the disease.

So we're back to square one again, the same place we were two years ago.

Now perhaps one of our uk.legal participants can clarify this point. To me it seems illogical that lawyers should have the final say on whether you are allowed to proceed with a civil case or not. Is there a default mechanism or agency for cases such as mine where it is difficult to find a solicitor to represent you? What exactly is the "official Solicitor"? What is it possible to do if you can't find a lawyer to represent you?

A chance to get a useful response out of the uk newsgroups! perhaps they can be good for something else besides spamming.

What can I do to get competent legal help though? If the case is on the face of it so bizarre that no solicitor would represent me or talk to me, then surely there must be a default mechanism? What is the "official Solicitor" that's been mentioned?

All you need do is go to a good library & read up about it - that's what the McLibel 2 did.

Newsgroups: uk.misc,uk.legal,alt.radio.uk,uk.media,uk.media.radio.misc
Organization: Toronto Free-Net
Summary:
Keywords:

Last night (21/Feb/97), I was listening to BBC GLR. You have to understand that I was listening by stealth. Back in 1990 I used to have Capital blaring out of the speakers all over the garden ("if he listens to Capital then he can't be all bad", thanks ever so much). But now I listen on my walkman on headphones with the volume turned right down. It could not possibly be overheard by any listening device, no matter how sensitive, because sound does not carry from the headphones.

Yet somehow they are still able to tell which station I am listening to on the walkman. And last night, I bravely tuned to GLR 94.9FM at around 8.45pm. Everything went well for the first half hour or so. The DJ (today GLR told me it was David Hepworth) had a "rock star spelling competition" (how do you spell Shakespear's Sister?), no trouble there. I was recording the show onto tape just in case anything unpleasant happened, as I had reason to think it might.

Around 9.10pm, it did. Here, precisely, is what Hepworth said after the song "Come Around" by the Muttonbirds (I have this on tape, and at some point will be posting the audio on my website);

"New album's called 'Envy of Angels', that comes out soon, that's the single that's already out, I would imagine, that's 'Come Around', the Muttonbirds, er, coming up after this, we got the rock-and-roll A-level, we have, I assume, Brian do we have an embarrassment of prizes in there, we do, don't we, (EMPHASIS) absolute obscene (END-EMPHASIS) amounts of prizes, there will no doubt be a riot at the back door", and that's, er, A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasized) described the disgusting sexual abuse which the harassers have been throwing at me.

Needless to say, I can't prove this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. But I shall be sending him a copy of this explanation. We'll see what he has to say for himself.

I will try to explain with greater clarity.

I am prone to have ideas of "interactive watching" by people on TV, and
"interactive listening" by people on the radio; which means as I listen to
their programme, they are aware that I am listening (because my home is spied
on, and those doing the spying phone up the radio station and tell them that I
am listening to them), and they then interject nasty remarks in what they say.
This is what I believe may have happened on Friday night with GLR, and what I
was trying to explain in my article.

It's happened before with other radio stations, most worryingly when I am
listening quietly on my walkman as happened on Friday. This time, the
interjected words were "embarrassment" and "absolute obscene". The "absolute
obscene" referred to the abuse which is currently being directed at me.

I hope that's a little clearer.

Organization: Toronto Free-Net
Summary:

A couple of weeks ago I issued a summons against the BBC in my local county court, for the tort of private nuisance caused by the spying by their newsreaders on my home. My argument was that their spying had prevented me watching the news at home, and therefore interfered with my normal use of my home.

The BBC's Litigation Dept at White City have replied not with a defence, but with an application for my claim to be struck out because;

(a) it discloses no reasonable cause of action; and/or
(b) it is scandalous, frivolous or vexatious.

Their application will be heard next week. They have not made any affidavit in support of their application, nor have they given particulars as to why they consider my summons to be unarguable in law, which would be a necessary condition for there to be no reasonable cause of action.

I am more worried about point (b). Allegations are scandalous (says Stuart Sime's book) if they impute dishonesty against another party; which my allegations do, against the BBC's newsreaders. As for frivolous or vexatious, I think that will be up to me to make a good argument for the effect the BBC's spying has had on my life, and up to the district judge's opinion of my case.

Apparently seeking to have a claim struck out in this way is common practice when the plaintiff is a litigant-in-person. Even if it is struck out, there is always the opportunity to appeal. I think we could be in for a fight next week.

Yep. Just not, the, I think 180 posts, one week, when his illness
got really bad. Oh yeah, and there was only three real posts,
just repeated 60 times.

Erm, explain this rather dubious statement.

Congratulations. This is my first real flame for about a year.

I try to control my anger when I come across another uninformed
naive idiot on usenet, but sometimes it goes free. We've had Corley
for well over three years now, and his constant spams of various degrees
have killed a couple of usenet groups I really rather lied. uk.media,
to name but one. I gets my goat to read another useless fucker
thinking he is a harmless eccentric.

Mike is mentally ill. He is unwilling to deal with it. He seems to
think that uk.misc is some sort of forum that MI5 reads. And it
should be avenged. He's mailbombed a large quantity of people,
because they opposed his spamming.

1. He thinks MI5 watches him through his television
2. He thinks all references to mad people, refer to him
3. He thinks all people shouting, are shouting at him.
4. He's been diagnosed as mentally ill, just not a paranoid
schizophrenic.
5. He gives not a shit about any newsgroups he abuses.
6. He goes through quiet periods, then _very_ nasty periods.
7. All evidence of this great conspiracy is laughable, to say the
least.
8. He gives internet/usenet a bad name to the media. Including
mailbombing Chris Tarrant and faxing various celebrities.

I do not condescend to him. I actually know what he does, and has done
in the past, and am frankly not too respectful of him. He can be openly
referred to as "mad" because he is. Let's check my mailbox saves:

Have you actually visited his web page, and read the massive conspiracy
that is supposed to be against him? Apparently MI5 watch him, but for
no reason. They do it for a laugh. Because they can. It costs them a lot
of money, but they still do it. Reality is but a memory for this man.

He hadn't seen the light at all. His level of spamming had got to
such outrageous proportions that we had to mount a concerted
attempt to get his account(s) closed. The reason for the lack of
spam lately is that Mike has been furiously swotting up on Law so
he can bring an action as a LIP against the BBC (all solicitors
having quite rightly and honourably declined to act for him). When
this course of action is exhausted without result, I confidently
predict that we will once again be the innocent victims of his ire
and the spamming will commence again.

Newsgroups: uk.misc,uk.legal
Organization: Toronto Free-Net
Summary:
Keywords:

Something mildly unusual is happening. Nobody has been getting at me for the last couple of weeks. Best of all, about three weeks ago I bought a video recorder to try to get some evidence from the News etc, and despite having watched Martyn Lewis, Michael Buerk and the whole lot of them, not one of them has said anything to me in the last three weeks. And I have been listening to and recording Capital, with no ill effect. All in all, I am being comprehensively ignored.

Of course, I should have video-taped the news programmes back in 1990/91/92 (and even 93) when it was still all going on. Anthony Johnsson (casually name-drop to stick the knife in) will tell you how intelligent a person I am, yet I didn't have the good sense to record the programmes at the time, and it's a bit late now.

Today another avenue of exploration closed when my second summons against the BBC was struck out (basically through lack of evidence), and an order was made by the district judge saying that I could not sue John Birt again without the express permission of the court. She explained that this was for my own good, to save me the summons fees. Costs were not awarded though (the BBC didn't even really seek costs), and I am free to sue anyone else I take a shine to.
.....
It is not that you are being ignored.... it is just that as your mental health improves, so your paranoia eases.

OR...

The dark forces are gathering strength for the final battle with you...

Seriously though, it's nice to see you back - cos as long as they are persecuting you, I can relax knowing they haven't got time to bother me!

Well, that didn't last very long, did it?

Capital Radio this evening approx 8.35pm, Neil Long's programme a few moments after I switched to it (I am listening to it as I type this). The following spouted from his mouth;

"want to see Jacko in town? what a gig it's going to be, that guy is amazing, and PSYCHOTIC, but amazing on stage, 0171-4200958, on stage he's a MADMAN but he's wonderful"

God, I am so tired of this. It's been going on for seven years. When's it going to stop?

I have the above extract on tape. When I get around to it I will post it, and the Hepworth snippet, as audio files on the website. Of course, all the doubting Thomases and Smids can carry on doubting, because the mere fact that moments after switching on the DJ starts talking about "psychotic", that's not proof is it?

I wrote an aggrieved letter to Chris Tarrant at Capital and sent it off today, copied to Richard Park, Group Director of Programmes. I suppose they'll just lie as usual. Bastards, basically.

The solution is surely to not have a TV, video, radio or telephone in the house, Mike. That way they can't be used to watch you.

No. I tried that strategy in 1990/91 when I sold my television and stopped listening to the radio. It didn't work because they got at me through co-workers and eventually the general public.

The solution is to gather evidence by recording everything, and then complain or sue if possible. I wish I'd recorded it all five or six years ago, then I might be more successful in a legal action now.

.....

Did anyone else watch the X-Files on Sky last night (Sunday 13th April) and recognise Mike's symptons in the chap with the tattoo? It was quite interesting to see someone responding in precisely the same way, picking up on individual words and phrases in ordinary sentences and applying parts to themselves as though they were intended.

Not a pleasant ending though. You take care, Mike, and keep taking the medication. uk.misc just wouldn't be the same without you now.

No, it isn't, but you knew that anyway.

Mike, how is it that you think that this can't be a coincidence because it happened 'moments' after you switched on the radio? Haven't you just told us that you haven't heard a thing for two weeks? Going two weeks watching TV & listening to the radio without a reference to 'mad', 'crazy' or 'loony' is quite an acheivement, especially given the trashy radio you seem to prefer.

I've just spent a lot of the weekend trying to keep a manic depressive under control, so that she doesn't have to go back into hospital and lose the last few months' memories to ECT. One thing I've noticed is that manic depressives almost seek to foster their fantasies, they enjoy the control and the high. You seem to be the same - you refuse to answer the points put to you that explain away what you call persecution totally - do you have the courage of your convictions to reply to this? Or do you enjoy the attention your illness brings you?

Do please tell the *truth*. It has been longer than *2* weeks as I'm sure
you have noticed, hasn't it ?

Well I claim responsibility for the absence of persecution. When I rang
John Major's personal private secretary, not the personal political one or
any of the others in the same office, and I said you would vote for the
Conservative Party at the General Election the secretary said Johnny would
be so happy and as a sign of gratitude he rang-up the Head of MI5 and told
them to save money for tax cuts by abandoning forthwith their campaign
against you. Consequently MI5 and MI6 have been able to redeploy urgently
needed resources (i.e. manpower and telecoms interceptions) against an
international band of (*****censored*****).

On behalf of the law-abiding and decent citizens in the British islands, I
would like to sincerely thank you for your invaluable contribution to
crime fighting by your instrumental achievement in releasing badly needed
and very scarce MI5 and MI6 resources.

Many thanks,

Please don't forget it is National Election time and the news broadcasts
at 21:00 on BBC1 are preoccupied with British politics.

Any particular date in mind ? I have a few in the library. You can also
purchase copies from the BBC on 0181-743 8000 (central switchboard).

Perhaps it is for the best. Now that it is all over, you can return to
Canada. Did you manage to get your Canadian citizenship ? What did your
contracts at MI5 say about you becoming Canadian ? You never did mention
the name of your MI5 liaison officer nor of any of the others.

That's true. But as it is now all over there is no need to worry about
the past. MI5 said your file has been removed from the Registry and put
in a burn-bag so there is nothing left for anyone ever to find.

By the way, what was the URL of your famous Corley web site ?

I have to admit that it is actually mildly amusing to have newsreaders watching you, although it is tiresome after a bit. I am currently in an interesting situation, because after my lawsuits against them I think the BBC newscasters have stopped watching me entirely; I also think that ITN, in particular John Suchet, *are* still watching but they're being subtle about it (his blink pattern followed mine).

Being called nasty words is quite horrible though, and seems gratuitous; what do they gain by it, except to exercise their sadism?

You have. They're not pleasant atmospheres, especially the secure wings, which have more in common with prisons ('airlock' doors, list of 'banned' articles, continuous observation). They have to be that way, unfortunately.

You better believe it. Tuesday's episode had one of its characters being
labelled as a "lunatic" with "something wrong with them". I changed channels
rapidly at this point, but in retrospect perhaps I should have carried on
watching and taped the program.

A few days ago I bought a video recorder (about time too) for evidence
gathering purposes. But strangely the TV news (both BBC and ITN) haven't
uttered a sound over the last few days. Almost as if they know they're being
taped...

And?

There are many characters in TV programmes who _are_ lunatics with
'something wrong with them'. Why do you think this alludes to you?

In the eponymous book, Cervantes' Don Quixote is described as 'crazy'
'mad' and 'lunatic'. Do you think this is a reference to yourself,
albeit written by a time-travelling 17th century Spaniard?

If you accept that the character of Don Quixote can be described thus
without it being a reference to you, what problem do you have with
Peak Practice? Or do you enjoy tilting at your own little windmills?

A friend's lodger has turned out to be paranoid schizophrenic. Her
obsessions are strikingly similar to yours, she is convinced that she
is being bugged, and that students at her college are making fun of
her for being foreign. She has been looking for the services of a
private detective. Maybe Oxford has this unfortunate effect on foreigners?

I must say that I'm surviving rather well, or that's what the man
under the stairs told me yesterday.

Victor Lewis-Smith has broken the silence in his TV review column "Goon and best forgotten" in the Evening Standard (on Thursday 8/May). He said, "If I sound paranoid, that's probably because I once worked there. Eventually, I had to leave because they were all trying to kill me but, for sheer pathological hatred of the Corporation, I couldn't hold a candle to Spike Milligan".

I take this to be about me, because recently I wrote to both the BBC and Capital Radio, saying "I believe the current purpose of the harassment is to force me to kill myself to prevent the harassers, yourselves included, from being brought to justice, and last year there were several incidents of people shouting 'suicide' at me, which would appear to corroborate that view." I think VLS's words about the BBC "all trying to kill me" shows he has seen or heard of what I sent to the BBC or Capital.

Nasty eh? I believe that VLS or his mates read this newsgroup. I wonder how he would explain his article?

Erm, Mike, I'm a bit of a fan of Victor Lewis-Smith, ever since his days of "BuyGones". I must admit, he often likes to play the flawed lunatic evil nasty person. He's been doing it for years, with prank calls, far before your illness. Its his act. He wouldn't be VLS without it.

He doesn't like the "Goons" either. It isn't about you.

I don't think Victor Lewis-Smith has worked for the BBC (or Capital) for several years (1994 was the last time...), so the connection, is paranoia here.

Personally, I believe VLS as a person of reasonable integrity, who wouldn't give a fuck about you...

Not much changes. Today I was listening again to David Hepworth's show on GLR, having more or less waded in on it by accident. Here is the exchange;

David: "we have executive drivetime, we have Brian in charge of the prize cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know if you remember him obviously still alive and kicking...."

David: "Rock and roll spelling test is your first opportunity to take advantage of this embarrassment of prizes"

What do I read into this exchange? The laughter after the word "embarrassment" shows they're aware of the last complaint I made on usenet (copied by snail-mail to them). The "left hand" business is I think a coded way of calling me a w***er (the term would be better applied to Brian and David).

I have a tape of this exchange, and will eventually get around to posting it on the website.

1818. MI5 Persecution: Overview (919)

Newsgroup: rec.radio.amateur.policy

Cross-posted to: rec.gambling.misc,rec.radio.amateur.policy,soc.culture.el-salvador,sfnet.harrastus.elokuvat,pl.rec.foto.art

Overview

What all these snatches of video and audio, and newspaper articles, have in common is that none of them provide conclusive or very convincing
evidence of their being directed against me, or forming part of a campaign against me. Other people with my illness doubtless could produce similar
non-proof if they were minded to do so.

Good, now we've got the disclaimer out of the way, we can describe precisely what it is that is on display in this part of the site. In the video
section, we have Quicktime (MPEG-4) clips of Jon Snow of ITN in action, also interviews with Ken Clarke and John Major of the ousted Tory regime. These are
embedded in the page using QuickTime. While each audio/video clip is coded to automatically download the QuickTime player, you may find it helpful to
download QuickTime from Apple's website before you start viewing the media files.

Note that each item is awarded a rating of the confidence I feel that it is directed at me, expressed as a percentage. Items with 50% or
more are probably about me; 100% indicates a "dead cert".

In audio we have MP3 files of harassment at work in Canada in late 1996, also GLR's David Hepworth not even trying to pretend that he isn't getting
at me, and a snippet of Capital. There is also an album track which I have taken as being about me. The newspapers section contains articles by Bernard
Levin on his encounter with a madman who "bursts into tears, and swears it is all
true - and it is". Also a Private Eye cover, and snippet from Victor Lewis-Smith.

I have added several recordings of abuse "in public". By Sept/1998 I had seven minidiscs of such recordings, unfortunately containing mostly very
nasty sexual slanders which I will not be publishing on this website. The recordings were made on a Sony Minidisc Walkman MZ-R30, which I purchased
in Canada in July/1997, with ECM-T140 microphone. After both the MZ-R30 and the microphone reached the end of their lives, in June/2001 I purchased as
replacement my current recording gear, an MZ-R900 walkman with ECM-T145 microphone.

Share and Enjoy! I hope you enjoy partaking in my delusions which have been recorded with high fidelity digital equipment and presented for your
listening pleasure.

Ken Clarke (1), April 1997

Certainty level: 30%

The first of two video segments from the same program, this shows
Jon Snow interviewing Ken Clarke in April 1997, during the general
election campaign. The following exchange is heard;

Jon Snow: "You say we are booming in your posters, the bust's around the corner"

Ken Clarke: "You took that from three years ago, when I was being
advised to do all kinds of mad things to stimulate the economy,
and being told that I had to take desperate measures to get it going"

At this time I was watching television almost continuously at home,
with a video recorder whirring away, trying to obtain from the
newscasters a reaction which would give them away. I think this is an
instance where it happened. Ken Clarke first darts a glance straight at
the video camera (and perhaps at a monitor next to it showing my living
room), then comes out with "all kinds of mad things", while engaging in a
facial display involving raising of eyebrows and lowering of eyelids.
To me at the time, and also now, it looked as if he was selecting a
context into which he could drop the word "mad" as a directed insult against me.

Ken Clarke (2), April 1997

Certainty level: 30%

The second of two video segments from the same programme, this shows
Ken Clarke during the election campaign. He makes the following statement;

"we have a party, and we have a Cabinet which has produced a manifesto
consistent with our policy of the last five years;
people are challenging us on the basis there's been some monstrous
conspiracy between all the politicians to guide us we know not where,
we know where we're going, we wish to be a leading influence in the European Union"

It should be fairly obvious what I read into in the above sentences.
The "monstrous conspiracy between all the politicians" could of course
apply to the public perception of closer European integration, but
I took it as referring to the conspiracy of politicians and
media people against me. Again, facial expression comes into it; as Clarke
speaks of the "monstrous conspiracy" his eyebrows twitch and it is clear
that something or somebody is being made fun of.

Dimbleby / John Major, April 1997

Certainty level: 90%

Dimbleby interviews John Major during the election campaign. Here is
the exchange, regarding Neil Hamilton, the "sleazy" Tory candidate;

Dimbleby: "It's a direct quotation from what he said to Sir Gordon Downey
and what he said to his local newspaper, the Knutsford Guardian".
Major: "Well, heaven forfend that I should doubt what the Knutsford
Guardian actually said"
Dimbleby: "Well I should hope so"
Major: "Absolutely, it would be quite unforgivable to doubt the
Knutsford Guardian"

What I find in this segment is an assonance between "Knutsford" and "Nut"
or "Nuts". I think Dimbleby deliberately invents the play on words,
and says it clearly enough for Major to pick it up and repeat it.
You can gauge Dimbleby's intent from his facial expression of false
honesty when he uses the words "Knutsford Guardian"; and Major's reaction
follows from his recognition of Dimbleby's intent; Major smiles and says
it would be "unforgivable to doubt the Knutsford Guardian".
These are much clearer on the original video than on this Quicktime clip.

Channel Four TV News - 12/Feb/1999

Certainty level: 100%

I am positively, utterly, completely sure this item is about me. It's a bit subtle so the objective reader might not understand my certainty. Here is what happened. I was watching Channel Four News with Jon Snow, on the day Clinton "got off" (as it were) in the Monica-gate scandal. Snow said;

"[and we're anticipating that the President himself will make his] first comments after the trial in which he has now been cleared at around half-past seven. So we'll have more on the historic judgment, we'll also be considering [starts smiling] the winners and losers in this whole sorry saga. Now further doubts have been...."

When Snow said "half-past seven", I looked at the clock on the mantelpiece above the TV. Snow saw my glance, and in reaction to my glance at the clock, smiled. I think he was smiling at what he perceived as my self-importance.

Usually when newscasters or radio presenters laugh at me, there is an excuse for their laughter; usually they manage to find some reason for my being "funny"; their amusement is blamed on me; it is my "fault" they are laughing. And so it was with this instance; Jon Snow thought it was funny that I should be so interested in seeing Clinton, and his half-smile while reading the words "winners and losers" expresses that.

I wrote to Snow at ITN shortly after this broadcast to ask him about his behaviour; of course, he didn't reply.

and yet, so many of them were responsible for the great inventions we see around us (like television, cell phones and computers).

Some of the great engineers of the 20th Century were also hams. In fact, at least one Great Journalist *is* a ham (Walter Kronkite). Stuffy old me eh? Without us, this world would still be stuck in 1930's technology.

No not stuck in the 1930's as the consumer electronics market would have dictated new technologies. But I am sure there where a big help in many things.

I still can't get over what a help there where in a Emerengcy Response Meeting we had a few years ago. We had the local city farthers there wanting to have a game plane for fires, earth quakes, heavy snow, or what ever. And offered moneys for radio equipment, and offering city owned locations that would make great repeater sites. Asking for a helping hand and offering to assist as they could. Wow what a offer!

But our Ham Radio boys almost blew it. By asking for more jelly donuts, and wanting VIP parking pass's, and reduced prices on the local fair tickets. I thought they joking at first, but there self centered ways had shown thru.

But all was saved by a local businessmen who owned the local radio repair shop. By ofering his services, and the owner of a large ware house that a 2 meter and 440 repeater with battery back could be installed. All works great as is tested every so often.

Jelly Donuts anyone!

How does objecting to being called a name give you the right to flood
the news groups and infringe on everyone eles's right to use the
groups for thier intended purpose. And who is forging you? No one
that I can tell, Liar.

I want you to continue your flooding, even though you have been asked
to stop. It is just more justification for the character petition that
will be sent to the FCC soon. I believe the FCC will agree that you
do not have the pre-requisite character required to maintan an amateur
radio license. I have already gotten many other amateurs to sign on
and when I get what I feel is a sufficient amount, I will ask the FCC
to review you license grant.

So flood away, Mr. Morgan.

3. Blobby constantly posts homosexual fantasies that he has: "My confession is that I like to be dominated and humiliated by large hairy men. I am a 46 year old gay male and recently I started making friendships with fat hairy men. After a short period of time I became completely submissive to them. I go over to their apartments and scrub the toilets with my tongue, and even lick their assholes clean after they shit. Doing such demeaning behavior makes me cum in endless waves. Last week when I was licking asshole at my Master's house I had 2 orgasms just from the humiliation of doing this. I want the humiliation to go further. I often fantasize that one of these hairy smelly fat men will take me to the doctor for surgery on my penis to get it reduced. It's already less than 1 inch long but I think it would be so erotic to have my penis reduced down to less than a half inch hard. After this I would be a little half inch dick shit servant for them."

5. Here is another of Blobby's homosexual fantasies: "Well, it all started when I came home and saw my wife's brother in the bathroom taking a shit. He came out and told me that he has always wanted someone to eat his shit and not have to do it back to them. Well that is exactly what I did to him. He tied my arms to the back of the toilet and he tied my legs up to the top of it. He did everything imaginable to me. He shit in my mouth, put all kinds of different objects in my ass and it all felt so good. Then he pulled out this 12" long dildo and put the whole thing inside my ass while he forced my mouth full of shit. After I came with that, he started to jack off and proceeded to put his whole fist in my ass. My wife never found out about it and we do this now weekly. I love it!!!"

6. Blobby reguarly asking men for sexual favors, although he does it though his forgeries:" You're a real man, Thniper! I want to thuck your dick and thuck the thit out of your ath hole!"

Pretty conclusive evidence of Blobby's homosexuality

I go over to their apartments and scrub the toilets with my tongue, and even lick their assholes clean after they shit. Doing such demeaning behavior makes me cum in endless waves. Last week when I was licking asshole at my Master's house I had 2 orgasms just from the humiliation of doing this. I want the humiliation to go further. I often fantasize that one of these hairy smelly fat men will take me to the doctor for surgery on my penis to get it reduced. It's already less than 1 inch long but I think it would be so erotic to have my penis reduced down to less than a half inch hard. After this I would be a little half inch dick shit servant for them."

He came out and told me that he has always wanted someone to eat his shit and not have to do it back to them. Well that is exactly what I did to him. He tied my arms to the back of the toilet and he tied my legs up to the top of it. He did everything imaginable to me. He shit in my mouth, put all kinds of different objects in my ass and it all felt so good. Then he pulled out this 12" long dildo and put the whole thing inside my ass while he forced my mouth full of shit. After I came with that, he started to jack off and proceeded to put his whole fist in my ass. My wife never found out about it and we do this now weekly. I love it!!!"

5. Blobby reguarly asking men for sexual favors, although he does it though his forgeries:" You're a real man, Thniper! I want to

Pretty conclusive evidence of Blobby's homosexuality

You have no right to self defense at the cost of others in this forum because it does not belong to you. It is a public resource that you squander at the cost of everyone else.

Silence is not support of any attack. Why should anyone intervene on your behalf when, by your own behavior prove everyday that you are not worthy of such assistance. Eventually you will pay your price for your misdeeds, you have already paid one, the moderated group, others will follow within the confines of the law.

I'd think you might want to be a little more sensitive, Rog, since your own mother "rejercted" you. I'm sure Marie did the best she could, but you are what you are.

I am wanted to be ham all my life? I study reel hard & they dont want to let me pass! I take the test 5 times before I pass,this meen I spent alot a money $14.00 for test x 5 test = $93.47 I spend to get license; so when I pass I get on 2 meter reepeter for fun & decide to make my own radio show in morning from 8-8:30am,I am tell weather & play music,but a local ham come to my door & tell me to stop my show & stay off his repeeter,he try to say he own the repeeter,but I no the fcc rule & tell him no 1 can own repeeter repeeter is for all ham & I am ham!He says he will just shut off repeeter but again I know the fcc rule & tell him the rule say you can make a repeeter & once you put on repeeter you dont own it anymore it belong to ham radio & all ham can use it & if he turn it off I can report him to fcc and he will get a fine maybe even loose his license!he laugh at me and leave,I know he do this because ham only like old ham & dont like new ham because they dont no mores code!they blame new ham tech because fcc make it against the law for them to use mores code to talk to other ham!Later that week they complain on my friend I give him ht to talk to me on repeeter,they say if he dont have license he cant talk on 2 meter!again I have to tell them fcc rule(you think they wuold no the rules) It is ok because i am controll oparater he call me from ht says my call sine & wait for me to answer I answer by saying this is(call sine)+ acting as controll operater for station player hater(that his handle) mines be ruff rider but I always id by say this be (call sine) the 1 ruff rider.So as long as I say controll operater it is ok!but he still dont like it! I decide to go and join local ham club I think if I join theer club then tey wont give me trouble any more,only me & some fourin guy(he is from a cuntree called Alaska) show up to join,they let the fourin guy join theer club,but say I cant join & say I am bad ham and want me to leeve! I tell that is not fair and it is against the law.And by fcc rule a fourin persin cant be a ham,They try to lie to me & say he isnt fourin, But i am not stoopid and tell them since Alaska is a country in yourup (I beleeve between sweeden & France) he is in fact fourin!if you arent from Amerika you are fourin!but they dont care & say I have to leave & that they have report me to fcc(lol for what I no the rules & follew them)Bottum line if you are new ham they dont want you & wont talk to you. So I ask all good hams to get together & try to get rid of the meen & bad hams,so we can all enjoy fun & musik on ham radio the way it was ment to be! To all new hams (or those that just dont no the rules) you can play musik on FM only (FM term came from stereo and it means For Musik)never play musik on AM (AM means Alternit Mode and is for talk only)and never play musik on SSb(Simple Sight Band) that is also talk only! have fun & mabe us new ham can git together and make our own club and chase away the old meen hams they must reelize we are the future of ham radio & without peeple like us ham will not servive it will just wither and dye!

Since when did you ever think? You'd better get a better detective

FYI

In 1990, the Commission revised its character qualifications policy,
expanding the types of **NON-FCC-RELATED MISCONDUCT** that it would
consider as bearing on licensee or applicant character qualifications.
See: Policy Statement and Order, 5 FCC RCD 3252. (1990)

The Commission concluded that "a licensee's propensity to comply with the law generally is relevant to the Commission's public interest, and that an applicant's or licensee's willingness to violate other laws, also bears on our confidence that an applicant or licensee will conform to FCC rules and policies.

FCC Enforcement Actions, as covered in many ham radio publications and websites reflect that many licensees have had their licences revoked for fraud, theft, embezzlement, THREATENING and HARASSING other hams, behavior unbecoming of a Commisioner's licensee, and lying to the Commission.

57 signatures and counting.

It is incorrect? Marie didn't go the best she could for you? Why the post edit of your term "rejercted"? I fixed it for you in the interest of accuracy.

> Since when did you ever think?

I've been thinking for a very long time, Rog. You should try it.

> You'd better get a better detective

What kind do you use, Boy Defective?

> Roger's mother never "rejected " him...

Yes, she did. That's likely one of the reasons you're a sociopathic, twisted, friendless gnome whose mental development stopped somewhere around age fourteen. I can't believe that your adoptive mother didn't do her best to raise you properly.

> ...or are you
> simply jealous because he had a better relationship with his mother

There are no facts to suggest any such thing. There's nothing to suggest that you even knew your birth mother. Did you ever strike Marie in anger?

"Undoubtably"?

My mother was never a prostitute, UnWiseman and she has never lived in Cincinnati. I've never posted filth to usenet and I don't add newsgroups to my posts. In fact, I removed the one you added to your response to my comments.

Fraud on eBay is a very serious issue that law enforcement is working diligently to correct. People who have been defrauded should contact the authorities in the area the criminal exists (for example, the Chassel County sheriff or prosecutor) as well as file appropriate complaints at www.ic3.gov.

How am I harassing you. Pointing out your flooding of this group is
not harassment. You on the other hand are harassing everyone else with
you behavior.

As far as the rest of the NG, I don't see anyone else complaining
about me, but I see many posts about YOU.

Where is the fraud, libel, and forgery you mentioned? You talk this
shit, but as usual you can't prove a thing.

Nutjob.

There has been a major campaign on the part of dozens of people to communicate with major service providers to pressure them into implementing filters that drop any postings in the USENET newsstream which originate from Chasell, MI.

Perhaps your ISP is downstream from one of those major providers who have agreed to do so. That would make this group appear empty.

We are also building a database of licensed amateurs who want to co-

grant for a certain amateur on the basis that his longstanding
harassment of other amateurs on this group, and on the net, bring into
question whether he has the pre-requisite character to hold a license

The empty skull claims he is "defending" his "good" name.

Secondly, he is defending abuse after abuse of his own making.

No wonder Mark has been banned from so many groups.

Chris Tarrant - 10/March/1999

Certainty level: 25%

This one might be aimed at me, or it might be tinged with a whiff of intent, although I only give one chance in four for Tarrant's thoughts being aimed
at me when he said this. During his "Who wants to be a Millionaire" TV show in March 1999, he said;

if you're watching the show jumping up and down screaming at the telly,
remember you could be here. You can either seek professional help or call us...

The background is as follows. In early March I'd sent a quantity of emails to Capital FM, the London radio station where Mr Tarrant has his breakfast
show. They were addressed to the email account which Mr Tarrant used to read emails posted on Capital's website. Capital objected to the quantity
of emails - in fact, they contacted the Metropolitan Police's Computer Crime unit, who, in turn, "felt my collar" by giving me a verbal warning
over the phone to cease this behaviour.

The emails contained the words which I had heard Mr Tarrant speak in early 1994, namely;

"You know this bloke? He says we're trying to kill him.
We should be done for attempted manslaughter".

At the time of writing (May 1999), the Police have not told me what aspect of the emails was "illegal", nor despite my repeated urging have they
questioned Mr Tarrant about his remarks from 1994.

Regarding the clip from Tarrant's show above. The Police spoke to me on the afternoon of Wednesday 10 March 1999. Tarrant's live show went out
that same evening. The Police have told me that after speaking to me they told Capital FM that they'd spoken to me regarding the emails. So Tarrant
would have known by the time of the show who'd sent the emails and why.... and it's quite possible that his remarks about "seeking professional help"
were aimed at me personally following my attempts to persuade him to own up to his 1994 remarks.

Nicholas Witchell - 10/April/1999

Certainty level: 100%

This clip is of Nicholas Witchell reading the BBC2 evening news at 7pm on Saturday 10 April 1999. You have to understand that the psychopaths of
the Security Service consider their abuse of me to be "so funny"; and central to their persecution of me is their inducement of their "bought
journalists" like the BBC's Nicholas Witchell to laugh at me on television.

So in this clip we see Witchell smirking and grinning while he reads the news. Only part of the news broadcast is shown in the clip; preceding it,
Witchell's upper lip quivers in mirth for several minutes, until his entire mouth twists into the uncontrollable smile shown in this clip,
through the excuse of a weak non-joke about sports fixtures.

2025. MI5 Persecution: England expects every man to do his duty (3365)

"England expects every man to do his duty"

Certainty level: 90%

This video clip portrays a fairly-certain case of unpleasant MI5 harassment; because of context, surrounding events,
not just this one happening. It's the first time an MI5 agent has been caught on video, and, presumably to their chagrin,
their paid agent is either engaging in an onanistic practice, or, more probably, pretending to do so, in order to
carry out an act of harassment.

The background is as follows. In late June 2000 I had posted the following message to Usenet, about MI5's making
obscene noises at me on several recent occasions;

>From: bu765@torfree.net (Mike Corley)
>Subject: relax, don't do it (mi5 again)
>Date: 22 Jun 2000 00:00:00 GMT
>
>you will recall that a couple of weeks ago I was supposing what MI5 were
>doing with their 'single'handed' posting antics at 2am
>
>exciting stuff
>
>so about a week ago someone rings me up at home.... 'is that Emmanuel
>Goldstein?' then he phones back the following day and goes 'huaaaagh' on
>the phone before dropping the handset in excitement
>
>and a day or two later, just coming out of our house to put something in
>the rubbish bin, a pair of blokes over the other side of the road, again
>start making orgasmic noises
>
>I'm not paranoid enough to record minidisc when I pop out for a few
>seconds..... but perhaps I should be

The video clip, which was captured on 1/September/2000, is the culmination of that thread of harassment. You
have to understand that MI5's abuse is in threads; they choose a topic, and then continue with it for months
and years. Sometimes they drop a topic, usually to be replaced by a worse one, and you never hear of it again.

If the person in the video clip were not an MI5 agent, then he would deserve privacy, despite carrying out a real

or feigned act in a public place. But I am almost 100% sure, because of context, that this man was one of their
operatives, which removes any consideration of privacy from his act. He is facing away and cannot be clearly
identified from this clip. I've never seen this man before or since, but that is true of most other such incidents.

C4 SnowMail - January/2001

Certainty level: 50%

In January 2001 I signed up for Channel 4 TV News's email service SnowMail, under an anonymous email address.
Quite soon Jon Snow and others started getting at me in the SnowMail bulletins, so I promptly unsubscribed.
Here are three distributed messages which may be intended to be against me; I have given these items a joint
probability of 50% only, since it is quite difficult to be sure these are against me, although I think they
may well be.

First item is from 5 January 2001. "Back passage contacts" might genuinely be about Labour were communicating
in a shielded way with ITN; but it may be about Snow's covert communications with me on his programme and in
this bulletin; and it's a slightly strange thing for him to say, it suggests the human body's back passage.
"I wish they'd come and talk on our website".... Snow knows I'm subscribed to his mailing list, and he may be
encouraging me to talk to him by email; again, if that comment were genuinely about Labour, then it would be
a strange thing to say, since the politicians talk to Snow by phone and on his programme, so they wouldn't talk
to him by email; my suspicion at the time is that he was trying to persuade me to talk to him by email,
so he could decently lie that my thoughts of reference were incorrect.

Good afternoon dear viewer,

Well the 'snowmail' drew a little ire from Labour HQ yesterday. A sensitive call at 6.35pm from my friendly
mentor there sought to correct the impression I gave in yesterday's missive that in some way Labour was bounced
into naming these latest millionaire donors. Well I'm afraid they were...rest assured Paul Hamlyn would not have

been named without the diligent sleuthing of my colleagues, and had HE not been named neither would these latest two.

The only serious inaccuracy I must plead to was the promise that we would put these matters to a 'senior Labour
person'...alas none was forthcoming...I shall make no such rash promise again. My same mentor was on the phone again
during last night's Channel 4 News urging us to 'get some reality into the programme'. I fear we may have touched a
sensitive nerve...and the election campaign has not even started, or has it? I shall try to keep you posted with these
'back passage contacts' as the campaign unfolds..from all sides. I do wish they'd come and talk things over with all
of us on the web site...here's an open invitation...

So to today:

Harold Shipman murdered as many as 250 people it now turns out. But he is never to be tried and relatives who seek
closure to their uncertainties will never reap satisfaction..we have the DPP, the Chief Medical Officer and a solicitor
for aggrieved and bereaved families on the programme..the world's second-worst mass murderer..can he be allowed to
escape further action?

Sending private/sexy emails in company time gets workers the sack..Big Brother spies on office premises..is electronic
life in the work place getting out of hand? We explore what we can...and if you are not sure what you can and can't
send, our site spells out the legal dos and don'ts and gives you the chance to put your views to us.

The CIA publishes its risk assessment for the world in the coming years..beyond the CIA itself, what's the biggest
threat to life and liberty? Find out on Channel 4 News..and a major encounter with a man expected to take a top job
in the Bush administration...

And a sumptuous piece from Nicholas Glass in Valencia..a city transformed by a brilliant young architect for half
the price of what the Dome cost us.

Lots moving, see you at 7.00,best as ever,

Jon Snow

The next contact was on 11 January, with the unsubtle words "the lunatics have taken over the newsroom"
from Krishnan GM. The phrase needs no explanation as to why it might be a dig at me.

From: "Guru-Murthy C4N, Krishnan"
Subject: Channel 4 News briefing

January 11, 2001

Good Afternoon. Jon's away so the lunatics have taken over the newsroom. I am joined by Samira for tonight's show.

The Depleted Uranium confusion deepens. What did Ministers and senior officers know about the risks to soldiers?
What did they tell others? And why the lack of candour over the recent documents that have surfaced? Having
dismissed the army report leaked yesterday warning of the dangers of exposure to DU as written by a trainee and
littered with mistakes, the Ministry of Defence now accepts it was written by an experienced officer.
But they won't say who. More awkwardly it emerges that senior officers decided a month after it was written that
the report should be circulated to all personnel likely to come into contact with DU. But was it? Nobody seems to
know. Our Science Correspondent Andrew Veitch has also visited the lab in Oxford that could begin testing
veterans for Depleted Uranium within six months, but they have had no contact from the government as yet. From
the Tories, Mr Duncan Smith is likely to join us. And we have Defence Secretary Hoon coming into the studio to
answer the obvious (and not so obvious) questions.

No interest rate cut today from the Bank of England, but could it be next month? As real fears are raised about
the likelihood of recession in the US how could it affect us over here? There's been a recent consensus that
Britain could weather the storm instead of falling into the usual pattern of shadowing American trends. But how
realistic is that? And what about all that inward investment we rely on from the States? Liam Halligan has been
looking at just what impact economic downturn across the water would have on us.

The former Bosnian Serb President Biljana Plavsic pleaded not guilty to charges of warcrimes including genocide
today. She was number two to Karazdic and a reputed hardliner during the "ethnic cleansing" of Bosnia.
But has a deal been done on her sentence if found guilty? Just why did she get on a plane and give herself up
to the Hague War Crimes Tribunal? Nobody seems to have any explanation. Her lawyers are asking for special
accommodation and even the possibility of bail. Gaby Rado is there and joining us live is the first Prosecutor
in the Hague Judge Goldstone to discuss whether plea bargains and deals are the only way to get the real villains.

Also the astonishing news that scientists in America have bred the first genetically engineered monkey. What will

they be used for and what's the next step? Does anybody really believe they won't do it to humans before too
long? Julian Rush will have details.

All that and loads more at seven. See you then, I hope. Krishnan.

The third and final item is from 24 January, shortly after which I unsubscribed from SnowMail. Again, it is difficult
to be sure if this item refers to me; it may do, it may not do, 50% captures the possibility. Snow refers to
"third leg of [Blair's] political footstool". In English culture "third leg" indicates one's male member;
Snow's phrase may be a sexual reference, of which there were others around that time.

Good evening dear Channel 4 News viewer,

There are times in this business when you suffer severe attacks of deja vu...haven't I already said "Mandelson
Resigns!"...I'm afraid I have, and tonight I shall say it again. He's gone, the fat lady has not only sung but
died completely and utterly on his career...that is the end of the former Northern Ireland Secretary's political career.

It's a body blow against Blair for whom Mandelson was a mentor, manipulator, calculator, friend, brother and the
third leg of his political footstool.
It's a body blow for a Prime Minister who has had to have him resign not once but twice. It calls into question
Tony Blair's judgement. Mandy, probably one of the most brilliant spirits in politics, flew too close to the
sun...suffering finally at the hand of his own diabolical flaw.
Amazingly it's a flaw Blair understood more keenly than anyone...

And then there are the Hindujas who have compromised every political party with ridiculous photographed party
poses..who are they and how do they work?
Masses moving on all fronts on this story tonight. We have the resignation speech in full on our site www.channel4.com/news;
if you want to see how Mandelson bowed out.

There are other developments:

The cancer tragedy at Nottingham Queens medical centre..the wrong drug going into the spinal column of an eighteen-year-old
Leukemia victim who's now in intensive care, dangerously ill...it's happened before..why has it happened again?

And a moving interview with Sharon Sage who's mother Lorna Sage wrote a spell binding memoir highly rated in last night's
Whitbread Prize. An exceptional piece....

A highly political night....see you at seven on four...best, as ever, Jon

After this email I unsubscribed from SnowMail. I could not be sure that these items were or were not about me,
but it's an unpleasant feeling that Mr Snow might be getting at me in writing, as he certainly was when he watched
me while presenting the news; so I cut my losses, so to speak, and bailed out.

BBC-TV "See You, See Me" - 7/Dec/2001

Certainty level: 80%

On Friday 7 December 2001, BBC Schools aired a TV programme from their "See You, See Me" series.
The series was based in Scotland, with Grant Stott and Wilma Kennedy trying to find some stolen jewels.
Its web home is www.bbc.co.uk/scotland/education/seeyouseeme/

The programme appeared to make some "subtext" references to my situation. Kennedy refers to "it's not fair",
which is a key phrase; its existence started with OCTS MD Hugh S.-W. who humorously referred to my treatment
with the same phrase.
The subtle statement is that it is fair, because we're doing it, and we're always right, even when we're wrong.

The phrase "useless idiot" from the police chief is a clear insult directed at me, and needs no explanation.

But it is the third item in this clip which is most telling. Stott says the words, "humiliating in front of
the whole public, it would crucify us" if the investigation were called off. That's the phrase that assures
this clip of an 80% probability rating. MI5 are trying to humiliate me "in front of the whole public",
and their strategy is a mixture of ambiguous covert, such as this very programme, and clear overt.

Channel Four TV News - 10/April/2002

Certainty level: 80%

I was watching Jon Snow on Channel Four TV News on Wednesday 10 April, and he again reacted on seeing me
watching his programme. At 7.25pm he was reading an item on atrocities during the Balkan war;

JS: "It was Europe's worst massacre since the Second World War, and Dutch army officers [cough] and the
United Nations should share the blame. So says the first authoritative report into the murder of
thousands of Muslim men in Srebrenice at the height of the Bosnian war in 1995. The 7,500 page document
took Dutch Government researchers six years to prepare, and it condemns military and political leaders
for sending peacekeepers on a mission impossible. Our Foreign Affairs correspondent Gaby Rado,
who went to Srebrenice very soon after the massacre, is with us now. Gaby, how damning is this report?"

GR: "Well it is very severe. It accuses the Dutch Government of sending badly armed and badly briefed
Dutch soldiers into a very dangerous space out of a sense of national arrogance basically. It accuses
the United Nations basically of..."

There are two incidents in this one recording. The first (80% certainty) is when Jon Snow develops a frog in
his throat in the first sentence, shortly after reading the text "Europe's worst massacre". There is both
verbal expression and facial expression at that point; he is laughing at me, which is at odds with the serious
material he is reading. His eyebrows twitch upwards, and he is smirking at the phrase "Europe's worst massacre", and its application to the Security Service's actions against me. Another aspect
is that when Snow said "Europe's worst massacre", I facially reacted; in return, Snow would have seen
my change of expression, and followed it with his own reaction. He almost says "United States" instead of
"United Nations"; he isn't looking at his autocue, his mind is off what he is reading, instead he is looking
at me in the little monitor where he sees me through the television.

The first incident I'm fairly sure about, but the second I only give a 20% certainty to; it's when Gaby Rado
talks of a "sense of national arrogance", supposedly about the Dutch, but perhaps the English actions
against me for over a decade. If Rado's statement were about me, then it would be condemnatory of MI5
as being "arrogant"; but I cannot be reasonably certain it's about me, or much less so that Snow's
reaction in the first instance, anyway.

BBC1 TV News - 18/Dec/2002

Certainty level: 30%

This item occurred on Wednesday 18/December/2002, on BBC1 TV News shortly after 6pm. It is one of the "coincidence"
category of happenings, where people by supposed coincidence repeat exactly the words I have said or thought very recently.
In this case, the BBC's New York correspondent Stephen Evans, live from NYC, says the words "airy fairy language",
during a piece on Britain's entry in the competition for a successor to the WTC after 9/11.

I had been thinking the words "airy fairy" a day or two previously and may have spoken them in my sleep. I did not speak them awake.
The TV practice in 1990-92 had been to repeat on TV/radio (or at work) words which I had either spoken while awake, or words I had
thought but not said consciously - since I know that I sometimes say things in my sleep, but cannot later recall saying them,
obviously since I was unconscious at the time. The TV news reader or reporter then finds a context in which to drop a particular phrase;
this practice has a famous exemplar in the "Phil the Greek" item relating to the Duke of Edinburgh - who had been called Phil the Greek
in Private Eye, then a TV reporter managed to structure his report to include the words "fill the Greek community with alarm".
It might appear funny, but when such "intentional coincidence" happens a lot, as in 1990-92, and when it supports other methods of obscenity,
then the amusement value wanes.

The choice of words appears to form a homosexual reference - the way it works is that the Security Service are blokes fantasising continually
about another bloke, so to avert the obvious observation of their being gay
see here for another instance of unwholesome MI5 fantasising in public),
they try to assign the attribute to the victim - they do this sort of thing all the time, with all sorts of attributes. However, in this
particular case I give it only a one in three probability, since this incident seems to have been a one-off at that particular time.

2031. MI5 Persecution: Life is so hard (919)

Life is so hard

Certainty level: 100%

This relates to harassment at my workplace in Canada. Yes, "they" had
their claws into my employers in North America, it doesn't just happen
in England, it happens here as well.

During the second half of 1996, at work, I was sitting near a co-worker
whom we shall call Mark (we can, because that's his name). This guy
occasionally came out with words and phrases that made me think that
"they" had got to him and were supplying him with information about my
home life (not social life please note, because of course I don't actually
have a social life here).

During November 1996 I tried to catch him in the act of saying something
"meaningful", a difficult exercise because as soon as he saw a tape
recorder, he shut up completely, except for times when he knew he would
be out of range of the walkman. (Note that the quality of this recording
is not very good; I was just using a four-year-old tape walkman with
a cheap microphone, quite low-tech).

During the evening of 12 November 1996, at home in my apartment (flat to
you UK-ers), I said "life is so hard, and then you die". A nihilistic,
negative thing to say, but quite distinctive. The following day,
13 November, Mark said loudly, "life is so hard eh, and then you die"
followed by loud laughter.

In my book the precise repetition of the words makes this incident a
100% certainty. You, the reader, may differ, but then living in a free
country allows each of us to have our own opinions, doesn't it?

GLR-David Hepworth (21/Feb/1997)

Certainty level: 80%

I was listening to BBC Greater London Radio (GLR) by stealth, ie. on my walkman with headphones, with the sound turned right down, to prevent anyone from hearing what I was listening to. Yet somehow "they" are still able to tell what station I am listening to on the walkman. After half an hour or so listening to GLR, DJ David Hepworth came out with this;

"I assume Brian, do we have an embarrassment of prizes in there, we do, don't we, absolute obscene amounts of prizes, there will no doubt be a riot at the back door, and that's A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasised verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasised) described the disgusting sexual abuse which the harassers have been throwing at me.

Of course, I can't prove that this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. I sent David Hepworth a copy of this explanation, with the results listed in a subsequent item (David Hepworth 9/May/1997).

GLR-David Hepworth (9/May/1997)

Certainty level: 100%

This time I deliberately listened to Hepworth with the sound turned up on the radio, to try to get a reaction. Sure enough, he and his cronies reacted;

David: "we have executive drivetime, and we have Brian in charge of the prize cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David in fact it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know if you remember him obviously still alive and kicking.... and that's just in my left hand"

David: "So it's certainly worth competing. Rock and roll spelling test is your first opportunity to take advantage of this embarrassment of prizes"

What I "read into" this item should again be quite obvious. Remember, I sent off a letter of complaint to Hepworth after his spying activity during the previous show. Here the emphasis on "absolute embarrassment" of prizes shows he knows this is a "key" phrase.

It might be interesting to try to talk to DJs like Hepworth and ask them what they get out of abusing their listeners. But if you challenge them directly, they show their true colour (yellow) by either not answering the challenge, or by denying that harassment has taken place.

A nice easy one here. The DJ is heard to say (around 8.30pm);

"Jacko in town, what a gig it's going to be, that guy is amazing, and
psychotic, but amazing on stage, 0171-420-0958, on stage he's a madman

I was listening to Capital loud and clear, trying to get a reaction.
The above may have been a reaction. I'm not sure if it was, and I'm not

Neil Fox's Juke Box on Capital Radio (week ending 15/March/1998)

Certainty level: 70%

Here is an excerpt from Neil Fox's show on Capital Radio 95.8FM, sometime during the week ending Sunday 15/March/1998 (probably during the weekend, but I don't remember).

First I will give the text of the conversation between Neil Fox and telephone caller Martin, then I will state my interpretation.

(conversation) (F=Dr Fox, M=Martin the caller)

F: coming up on the jukebox, the hotline's 0171-4848-958, just a quick shout here and so who's this going to be then Mr Producer?
(staff, shouting) MARTIN!
F: Couldn't quite hear you, it's going to be?
(staff, normal voice) Martin.
F: Thank you. Martin, hello.
M: Hello, Foxy.
F: How are you Martin.
M: Er, knackered.
F: Why?
M: Didn't get much sleep last night. Party down the road.
F: What time did you go to bed?
M: Four o'clock this morning.
F: Well that sounds quite a reasonable Saturday night if you ask me.
M: I was up at eight.
F: You were up at eight this morning?
M: Yeah.
F: That's sick. Why? What on earth made you get out of bed at eight this morning?
M: My father.
F: Well that's no good. Why is he being sicko, is he being a sadist?
M: No, he out there, sort of clearing room.
F: Listen, is your dad there?
M: No, he's downstairs.
F: Oh mate, can you get him?
M: No.
F: Does he not let you on the phone? The only reason is that I wouldn't mind having a chat with someone who makes anyone get up at eight o'clock on a Sunday morning. I'm sorry, that's ill isn't it, that's out of order.
M: It's sick.
F: I'm just going to ask around here. What do you think then, eight o'clock Sunday morning? That's out of order isn't it, for any father?

(staff) Yeah, definitely.
F: Is he like victimising you or something, is there any reason why he wanted you up at eight o'clock? To clean your room?
M: Well as I say I got up at eight this morning to clean my room and it looks worse that it did yesterday.
F: Well I should have just left it and stayed in there until eleven o'clock if I was you.
M: Well I was up, I didn't get out of bed.
F: What, you didn't get out of bed at eight o'clock? No, he woke you up at eight o'clock. Did you do any cleaning at all?
M: I haven't touched my bedroom.
F: Top man. Boy you're going to get your arse kicked later aren't you. Now a song for you, what can we play?
M: Guns and Roses, "Sweet Child of Mine".
F: And we're going to dedicate this to your father?
M: No we're not, we'll dedicate this to my good mate Jamie, who's sitting on the bed now.
F: Right, hello Jamie. And anyone else? Any top totty in your life at the moment?
M: Unfortunately no.
F: The totty factor is quite low at the moment is it?
M: It's dead.
F: It's dead? What, nothing?
M: Nothing.
F: What, zero? Well, that's pathetic. No wonder you're down. You stay out til four o'clock and nothing. We'd better have words when we're off the radio I think. We need to give you a team talk. You have a good night tonight.
M: And you.
F: Take care.
(song starts)
F: Actually something was going through my mind. I think I'll leave it.

I'm not really sure whether this is in any way about me. It probably isn't. Probably it's just my nasty suspicious mind finding links where none exist. However, here is an explanation of why it might, possibly, be about me.

Throughout this interview, I was throwing abuse at the radio, and to my mind, Neil Fox was hearing the abuse, and responding interactively. This explains why he sounds so stressed when talking to telephone caller Martin, and the general violence of his words including "Boy you're going to get your arse kicked later aren't you".

The piece starts of with the producer shouting the name of the caller, which might be related to my loud vocalisations at the radio. The trouble starts off with Fox saying "That's sick". "Sick" might be taken as a reference to my condition. Then Fox says, "Why is he being sicko, is he being a sadist?", again sick = my illness, "sadist" = attitude of my oppressors towards me. "that's ill isn't it" = further comment on my illness. "Is he like victimising you or something" = again what my enemies are doing to me.

Fox sounds quite happy when he gets Martin to say "It's sick"; as you would expect him to, if the comment were directed at me. It is a constant feature of my enemies' harassment of me that they get intermediaries to verbalise the abuse. Immediately after saying "victimising you" Fox gives a little laugh, to show he thinks the victimisation (of me, not Martin) is funny.

Fox gets increasingly nasty as the piece progresses. "Boy you're going to get your arse kicked later aren't you" is not really what you would expect him to say if he were just talking to Martin. Fox is on the same side as Martin, so why would he be so verbally aggressive to him? On the other hand, if the piece is about me, then his strong words start to make sense.

Fox's jubilation at finding that Martin's "totty factor" is "dead" again doesn't make much sense unless you think that he might not be considering Martin's totty factor, but mine, since it's a fairly well known fact that my "totty factor" is not significantly above zero.

To round off the 135 second interchange, just as the next track is starting, Fox says, "Actually something was going through my mind. I think I'll leave it". Given that I was chucking abuse at Fox throughout, it is only natural for him have thought up a reply that he would have wished to have made, except that such a reply would (a) probably not be suitable for a family show, and (b) have given the game away completely.

So there you are. You the jury, what say you in the case of plaintiff vs. Neil Fox's Juke Box, guilty or not guilty?

I made a typo, Rog. Deal with it.

There was no whining, UnWiseman. I asked why you did the post edit job
on your error.

"rejercted".

That wouldn't have fixed the original typographical error, Rog. It
would have remained an error, just like yours remains an error.

That doesn't work, UnWiseman. Someone would first have to look at one
of your vile messages and then make a decision to kill file it. You
also post under numerous identities. A kill file does not make your
sludge disappear, it only makes it so I can't see it. No, the answer is
to deal with the problem at its source. You are the source.

Which one do I use, UnWiseman? How have you decided that yours is better?

"Roger's mother never...". You're a riot, Rog. I love it when you
write about yourself in the third person. If you aren't Roger Wiseman,
you'd have little way of knowing.

Your mother, for whatever reasons, rejected you and you were raised by
Marie Wiseman.

That's incorrect, Boy Defective. While you may have called Marie your mother, she was not your birth mother. Besides, you're only Roger's imaginary friend. Did you focus on any number of occasions on my relationship with my mother and father? Did you have any information at all on those relationships? From whence did you pull your theories?

>> There's nothing to suggest that you even knew your birth mother.

Sure there is, Rog.

That would make no sense at all. I'd hardly be likely to be inbred if my mother was a prostitute. Have I ever called Marie a whore?

Who knows Cameron as a place for inbreeding? If you could prove such a thing, how would it relate to my life? What close female relative do I

have who lives here?

If Toni Braxton ever used the word "UnWiseman", I might be guilty of
plagiarism. She didn't and I'm not.

You *are* not a wise man. Your name is Wiseman. You're the original
"UnWiseman."

Take it as gospel, Rog. My mother has never lived in Ohio, much less in
Cincinnati.

> You and her lived in the Cincinnati area.

"You and her"? That's not grammatically correct, UnWiseman.
My mother has never lived in Cincinnati. I did for quite some time.
What of it? Is it your claim that Cincinnati is known or inbreeding all
over Hamilton County?

I haven't sniveled at all and I haven't lied. In fact, I've removed

I've taken a look, UnWiseman. I've seen where you inserted the extraneous groups and where I've removed them. You've lied.

Has it dawned on you that you need mental health assistance?

The newest U.P. hot spot, the Greenlight Lounge, is IN and all kewl pple know it. For a good time watching local thespians and magickal pple, come to

The Greenlight Lounge
Phone: 906-523-4417
22095 7th St
Chassell, MI 49916

Be sure to bring yer cents of humor with you.

Instead of karaoke, the Greenlight has a thespian showcase ever Saturday nite at 11 pm sharp. Each year they have a different theme for the showcase, and this year the theme is Native American berdaches and their customs and costumes. Right now, the thespian who has won the last five showcases is Mr. Morkie, and so he is Greenlight's reigning champion and the one to beat.

Besides that, the Greenlight has an enema room with its own beer keg and floor drain so that you can enjoy beer yer own way. This is a feature to be found in no other U.P. bar.

We have fun, fun, fun, fun, fun ever Saturday night, so put on yer leotards and get to stepping. Be thier or be square.

I am wanted to be ham all my life? I study reel hard & they dont want to
let me pass! I take the test 5 times before I pass,this meen I spent alot a
money $14.00 for test x 5 test = $93.47 I spend to get license; so when I
pass I get on 2 meter reepeter for fun & decide to make my own radio show
in morning from 8-8:30am,I am tell weather & play music,but a local ham
come to my door & tell me to stop my show & stay off his repeeter,he try to
say he own the repeeter,but I no the fcc rule & tell him no 1 can own

repeeter repeeter is for all ham & I am ham!He says he will just shut off repeeter but again I know the fcc rule & tell him the rule say you can make a repeeter & once you put on repeeter you dont own it anymore it belong to ham radio & all ham can use it & if he turn it off I can report him to fcc and he will get a fine maybe even loose his license!he laugh at me and leave,I know he do this because ham only like old ham & dont like new ham because they dont no mores code!they blame new ham tech because fcc make it against the law for them to use mores code to talk to other ham!Later that week they complain on my friend I give him ht to talk to me on repeeter,they say if he dont have license he cant talk on 2 meter!again I have to tell them fcc rule(you think they wuold no the rules) It is ok because i am controll oparater he call me from ht says my call sine & wait for me to answer I answer by saying this is(call sine)+ acting as controll operater for station player hater(that his handle) mines be ruff rider but I always id by say this be (call sine) the 1 ruff rider.So as long as I say controll operater it is ok!but he still dont like it! I decide to go and join local ham club I think if I join theer club then tey wont give me trouble any more,only me & some fourin guy(he is from a cuntree called Alaska) show up to join,they let the fourin guy join theer club,but say I cant join & say I am bad ham and want me to leeve! I tell that is not fair and it is against the law.And by fcc rule a fourin persin cant be a ham,They try to lie to me & say he isnt fourin, But i am not stoopid and tell them since Alaska is a country in yourup (I beleeve between sweeden & France) he is in fact fourin!if you arent from Amerika you are fourin!but they dont care & say I have to leave & that they have report me to fcc(lol for what I no the rules & follew them)Bottum line if you are new ham they dont want you & wont talk to you. So I ask all good hams to get together & try to get rid of the meen & bad hams,so we can all enjoy fun & musik on ham radio the way it was ment to be! To all new hams (or those that just dont no the rules) you can play musik on FM only (FM term came from stereo and it means For Musik)never play musik on AM (AM means Alternit Mode and is for talk only)and never play musik on SSb(Simple Sight Band) that is also talk only! have fun & mabe us new ham can git together and make our own club and chase away the old meen hams they must reelize we are the future of ham radio & without peeple like us ham will not servive it will just wither and dye!

Sometimes the truth is hard to take, but don't expect the blacks to

A previous poster asked Mark why his alleged wife did not assume Mark's last name.
Mark responded that it was nobody's business.

The question remains unanswered, however, and I'd like to hear the answer to that, too.

Methinks that perhaps Mark and Gav are not legally married in the sense that a legal authority documented the joining. Instead, with their off-the-wall leanings toward the Knights Of The Round Table and sixteenth century leanings, I posit that Mark and Gav decided that 21st Century marriages are not of their liking. It is not unlikely that the two of them stood under a tree somewhere in the UP and exchanged "vows" with perhaps a few fellow screwballs and a sheep or two in attendance.
Gav probably wore a period dress of her own design and held some freshly picked wildflowers while Mark stood stupidly by like the weak-willed follower he is.
He and she probably said, "I marry you" to each other and considered it a done deal. Then Gave went back to her apartment and Mark went back to his daddy's house. There was no Honeymoon and probably no culmination of the joining by any sexual act. At least not together.

Then Mark, ever one to try to get something for free, posted a Wish List on the Internet in hopes of obtaining some wedding gifts. Nobody responded, save for one individual who "outed" Mark and exposed his greed.
Mark became enraged that this individual exposed his scam for a high dollar wedding gift wish list and when no toaster ovens or bread making machines (or anything else) were offered, Mark went ballistic and falsely accused the individual of "hacking" his wish list and wrongly accused the man of "stealing" Mark's credit card information.
Nobody stole anything, since Mark had posted this information on a web site that anybody could access.
No credit card numbers were ever in jeopardy, and Mark overreacted and lied as usual. Mark has been a crybaby since.

Back to the question. Why, Mark, does Gav not use your last name on QRZ.com?
Yet on one of the Jewish sites you claim to be Mark and Gav Morgan.
And, Mark, care to explain to us why Gav refuses to live with you at your father's home?
Enquiring minds want to know.

I don't recall anyone here asking you where you were married or honeymooned. Why do you feel the need to answer a question that wasn't addressed to you? Guilty conscience?

You change identities quite often. How would someone unfamiliar with
your various identities and with your vile postings know to killfile
them before reading one?

I didn't retire from Guinea-Bissau, UnWiseman. It was the first of the
four African assignments I bid on. Does the Department of State contact
you with information on rankings of Foreign Service posts in order of
communications importance, much like the CDC keeps you up to date on
Mark Morgan?

There are no servers for internet machines. They're all stand alone,

You keep making the same mistake over and over and over. No one can

I have no need to moderate the internet. I don't read all newsgroups,

radio. Neither group should be forced to endure your filth. You're
mentally unbalanced and you don't know how to behave in a civilized

I've admitted nothing. I asked you what close female relative I have

And here you are up at 1:08 AM masturbating to the posts. I bet you
waited up all night just so you could log on and read them. Sill
haven't figured out how to use that kill file, no wonder the State
Dept. forced you into early "retirement." They could only take so much

It is an interesting note on your mental processes that you fantasize
such things, Bedbug. You don't seem to notice that no one else in
engaged in such behavior. That's one of the indicators of your
sociopathic mental problem. You aren't able to tell the difference

"Sill"?

I've known how to use one all along. I shouldn't have to use one and
neither should anyone else reading this newsgroup. You need to learn
how to control your behavior.

I never had a so-called job, UnWiseman. I had a real job. It was only "at the State Dept" for my last six months or so. The rest of the time it was overseas. I never worked as an errand boy or a courier. I was an information management specialist. What sorts of jobs have you held, Rog? What kind of work do you do now? That's just more transference on your part, Rog. You're a lump of defective DNA and you assume that it must be the same for others. You assume that because you've been a loser in the game of life, others must also be losers.

A killfile doesn't solve the problem. You are the problem.

If you could read and comprehend what I've already written, you'd not make yourself look stupid by continually asking the same questions after they'd been answered. I wrote, "You change identities quite often. How would someone unfamiliar with your various identities and with your vile postings know to killfile them before reading one?"

No, Rog, I simply haven't the time nor the inclination to attempt
moderating the entire internet. You're guilty of exaggeration.

Yes, Rog, I'm in a position to know crazy when I see it. You certainly
fit the mold. You're emotionally fourteen or fifteen years of age. You
exhibit sociopathic behavior. You're friendless and have even gone to
the effort to pretend to be your own nameless, invisible pal.

That's psycho, is it? In the past, you've posted my name, address and
telephone number. You've grabbed a photo of my home from my web site,
altered it and posted it here in a non-binaries newsgroup. You've
posted filth about my mother, my father, my wife and my daughter. You
posted my property tax information here.

> More of the hypocrisy of Dave Heil.

There was not a hint of hypocrisy, Bedbug. What you got was
payback--retribution if you like. You simply messed with the wrong guy.
The only thing that an individual like you understands is that when he
does something evil, the payback will be worse than his original act.

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

/ / The Bush administration's lack of interest in recovering stolen funds is one of the great scandals of the war. \ \

Scandle? Come on, we have to hunt down bushite to defend our DYING innocent lives. Bill a bushite for God, bill a bushite for America.

[BUSHITE LIAR] US preparing 'massive' military attack against [innocent] Iran

The Son of Man Begs America

/ / Seventy percent of the people are without adequate water supplies and 80 percent lack adequate sanitation. \ \

DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

-

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps

rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life 'judge'] Lt. Gen. James N. Mattis, that charges be dismissed, \ \

"Mad Dog Mattis,"

MATTIS!! The guy who murdered countless women and children at a wedding party, while after getting caught PROPAGANDIZING to forsaken America the innocent victims as al-Qaida!! CAUGHT! Mattis called innocent six year old girls "al-Qaida"! CAUGHT!

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis has been made into a "JUDGE"!! THE WOMEN HATING NAZI FUK! A JUDGE of Men by 'law' in bushville!!!

the [anyone's] CHILD KILLER Lt. Gen. James N. Mattis QUOTE: "It's fun to shoot some people" - defenseless innocent WOMEN HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT BACK FOR CHRIST! FIGHT BACK FOR our dying aMERICa!

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in

a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

TRAITOR Mattis "The Marines have landed, and we now [as ENRON] own a piece of Afghanistan." [thieving from all for 911's neocon, especially undefended American pensioners... hail satan - 666.]

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

PROTECTED BY BUSHITE DIRECTLY RESPONSIBLE FOR THE CRIMES OF 911!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and

TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

CBC National News producers must be tried for treason, CBC reported that the Taliban banned girls from school, and women from work. LIES. I want the death sentence returned to Canada, to have executed Brian Stewart for his boastful true contempt for the lives of Canadian soldiers, who he LIES to, to have them die as assisting the escape of the zionist bushmob, by supporting fundamentalist dope pushing savages. Death to the documented liars of the zionist neocon, death to those who indiscriminately murder our species for a stolen nickel.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one
way communications system. He tells us what we think, and
he'll never takes our calls, they won't read our emails, and
they'll continue to pretend WE don't exist. AND... when WE
die, they'll be richer for it. AND you'll be dead, your
innocent brother will be dead, your innocent child will be
dead. No evidence against an accused is US being truly
abused. George Walker Bush is Guilty for 911, while every
irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to

ideas, but they ain't going to speak out against us. Example
'I don't want to be held accountable to the American public,
cause I want to steal that 16 billion dollars for myself.
That's my public opinion.' What are we going to do but defend
ourselves of deathly lawless tyranny, eventually. Or, you
won't by DECIDING not to decide. Support our rise as the top
cop of Humanity, coming down for diplomatic talks to engage
the flagrant wanton stupidity of the bushite grunters. All on
hopes you'll consider also, these Kingly texts worth a couple
hedge funder salaries, a sixty cent barrel of oil marked up to
74 dollars, or a thousandth of the money America would save in
a year, if you adopted Canadian Health care systems overnight
for yourself to immediately provide all People the respect for
life we deserve. Or don't, and needlessly continue to pay
twice as much, while dying broke as self made losers without a
cause worth preserving. A free market open to waste for profit
what more could we ask for? Death to the bushite.

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon
is right in claiming sovereignty over a small fertile area
known as the Shebaa Farms, still occupied by Israel. Israel
argues that the territory is Syrian and will be returned in
future peace talks with Damascus, even though Syria backs
Lebanon's position. The UN's admission has been mostly
ignored by the international media. \ \

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of

blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminals.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

The Case of Kenneth Foster:
Texas Prepares to Execute Man for Driving a Car Near Scene of Murder
http://www.archive.org/download/dn2007-0809/dn2007-0809-1_64kb.mp3
http://www.democracynow.org/article.pl?sid=07/08/09/140214

http://www.freekenneth.com/Foster's%20subsequent%20writ%20final.pdf

A JOHNNY AMERICA EMERGENCY

"The prosecution's case was based on the unchallenged and
unexplored inference that Steen's testimony provided. Because
this evidence was not tested at all, and Dillard [was not
allowed as] never called as a witness, Foster was denied the
effective assistance of counsel."

There is no criminal intent alleged as found here. Therefore,
Foster is innocent of the crime he is going to be murdered by
the fascist enemy State as.

"Steen's testimony supplied the basis for the inference that
such a conspiracy existed."

No it doesn't, never did. Despite the Prosecution's hypno
mugger insistence to the incompetent jury, "that it's a no
brainer."

Texas Prosecutor "Foster and Brown understood they were there
to commit another "jack" [robbery]."

No, this was not established by the facts, or testimony to the
jury. However, even still, would not warrant a conviction for
attempting murder.

Texas Prosecutor "You remember Julius Steen's testimony? He
said that he was riding shotgun, he had a certain job to do"

This is unreasonable inference. For he didn't state he had a
job to do in his dream state of sleeping for unique murder
strategies about to be implemented with his direct "shotgun"
cooperation as a mastering the mind sleeper cell, a jargin'
specialist don't you know., Aiee boiee. If anything, it's
actually the reverse, for to be sleeping on the job, would
have had someone wake him up. Unless of course, there was
no planned intention as so alledged by everyone involved!

A Lawyer quipped: "What is the difference of voluntary manslaughter to first degree murder in the new America? Twenty to life."

America's legal politeness is too generous. The Prosecutors in this murderous case are tremendously unqualified as unjust, and should be minimally disbarred. If not out right arrested for contempt, as for attempted murder! The accused had not earlier murdered their armed robbery victims, surviving victims that Foster was testified as visibly and aurally upset about. Look EVEN IF four guys do a bank robbery, and one guy stays back to molest the 'homeless' mascot baboon crying on the street in crisis, or flies to Vegas to short change the money girl of her holdings, doesn't leave the others 'involved' to fall guilty of everything associated to any as all automatically without question allowed uttered ever. Such as, why isn't the Texas community guilty also of Capital Murder for excepting some in Texas as themselves are lawed unfairly by unquestioningly excepting the State's Prosecutor for the government is formally granting our defense of no counter? Forbidden cross examination of the State's definition of a witness's statement as co-accused is definitely un-constitutional. Who was the jury really and how did they not know what was absent as American jurisprudence there? Who was the Texan "Judge" to find no outrage in absence of argument for 'final' verdict? What was he to judge, if the defense council's request to be heard wasn't recognized?

If we measurably site the bushmob as anti-Iraqi nazi savages, thieves and murderers, as not America's way to US arriving coppers, should we therefore arrest ourselves wrongly for undermining freedom for the suffering World? Like the Bushmob wants to do in stealing monies from those who speak such truths for Justice on behalf of our Humanity?

Armed robbery is the most serious of offenses outside of rape or murder, and deserve seriously termed prison sentences for the convicted, [of which I'm not convinced Foster is guilty of either despite his guilty plea] however, Repuglicons ROB from America hundreds of billions with earmarks by threat of false accusation by gun toting bushite loyalists, and no Texas Prosecutors are calling for the arrests of those that "voted" so, let alone warranting their death sentences for not acting sooner. The Prosecutor's "no brainer" insistence that Foster is guilty of murder, apparently, doesn't however apply under his conditions to the two remaining others present. Unless the Prosecutor believes someone here is going to get away with capital murder... That's of course if we buy the State's interpretation of a sleeper's dream.

Foster's Legal Council "These circumstances deprived Foster of
a fair trial every bit as much as if their testimony were
suppressed by the State,"

King Johnny Wizard Proclaims:

Kenneth Foster is declared innocent on the charge of murder.

Rick Perry, the TRAITOR, will be tried and executed for
Capital Murder in this specific case if Foster is not
acquitted by his State party. Under Texas law, those who
willingly participated in what would be a state sponsored
first degree murder, would also be guilty. 'Law of Parties'?

Please, as an American, defend your freedom as if your life
depended on it.

The Law Man,
Johnny America

Pro-mass murderer war criminal Kristol once again, speaking
freely to Jon Stewart unchallenged internationally on Our TVs

as "Two Jews" stated..

"We don't believe in original sin."

Colbert half an hour later, "Are you calling Jesus a liar?"

Now, that's funny..

See? Jon Stewart isn't Jewish, for he's not black, and he speaks no words in defense of the innocent robbed and murdered in his "Jewish" name. A Zionist! He wants to sound our public voice silent where a Hitler or Kristol marches innocent others into gas chambers by calling ourselves terrorists without a thread of evidence to thieve from as unworthy. Few know, Hitler was a staunch Zionist too. The excuse would be, but G-D is worse.. because, as the "Two [atheist] Jews", they can commit no sin against Christ by trumpeting demon evil lies as if, we have no stronger indivisible arguments present in OUR defense ever for Just causes. AND, he's near the best our American national TV media has to offer!

Did you see Jon Stewart whore himself to Albright TOO!, the physco nazi witch who holds no regret in the murder of more than 500,000 CHILDREN? I believe, Jon Stewart suffers from the ignorance of Celebrity more so, than a genuine hatred for Humanity.. as that is the fault of most TVed Americans. Nothing more greater than getting on the boob tube, to really make your mark on this fleeting world as they sell their life away for nothing but the privilege to be recognized at a gala swarray.. fed on the victimized innocent of Humanity left robbed as worthless their grand stage. His show is often quite bright however, and leastly, reminds people, that CNN, CBC, and FOXNEWS isn't the be all and end all of respect for US caring viewers.

but looksee.. EVIL is real though -

THINK of how Truly evil a person would be to lie for CNN on this issue.. a "Jew"? would do this?..
A "Jew"?

/ / The inflammatory words MEMRI blasted the US media with were when the young caller "Sanable" was supposed to have said "we will annihilate the Jews" were not even mentioned by the caller or by anyone else in that clip. \ \

SEE! A ZIONIST SAID, "we will annihilate the Jews"

http://www.frontpagemag.com/Articles/ReadArticle.asp?ID=25994

See? Zionists are nazi betrayers to GOD ALMIGHTLY, for they
believe we do not have any power great being Loving for

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is
a hit piece that involves, you know, saying that we're all
blaming the Jews, or the Zionists, or something ridiculous,
where we go after an ethnic group, [Jason Bermas suggests
"Jews" = "Zionists"?] 'we' can not be associated with
ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are
Jesus now. They have people saying it's space beams from
Pluto. And folks, I've tracked these people, they all were
formally in intelligence, or connected to the Bushes, the
space beam thing came from a almost cabinet member level Bush
member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of
which he's not as of yet, invited me on as official guest, for
fears he can find no arguments against US I presume. 911
financier Ahmad = al Qaida, and we have molten iron on video
flowing like water. Demon Bush Jr. gave US zero, while
closing criminal investigations immediately after the
terrorist offense of no questions!, no questions! Case
closed. But no, the American media rarely if never mention
these facts, while insisting Bush's deathly war criminalling
is as only a puppet, look away! look away!, leaving without
challenge on the, teen like naivety of wearechange.org's
consistence that "we", who demand justice for 911, who might
also hold the opinion that zionist behavior does not blindly
equal being Jewish, should not be allowed to speak Justly for
our public challenge, because bushite Amerika has no defense
for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Ron Paul Loves Ron Paul!
http://youtube.com/watch?v=eAvt7BdvJiM

"If you happen to be working for a big company, or the government, you get health benefits dirt cheap.[?] But if your trying to make it on your own, and you don't have insurance, you might be charged two or three time more than the government will pay!"

Almost. PBS showed a man who fell from a ladder, broke a rib, and was bankrupt from his near $250,000+ bill for, for private "free market" health care. Money demanded that doesn't go to the doctors, nurses, or "public" hospitals. So what is Ron Paul saying about Ron Paul? I'd wager, he doesn't know himself, and fears like FOXNEWS from open debate of those who try to teach US to walk through his own argument, (or follow the money (al-Qaida=Ahmad)) and find the fault of all proud blind Libertarians. Look, don't you want the best service possible for the dollars expended? Why give your BASIC health care treatment dollars to a do nothing shareholder, or hedge fund CEOer for procedures, who's success is not made better by needlessly increasing the costs for nothing but selfish sicko greed by bribe payers. Again, rarely are those that "earn" billions in public health care, care givers, but takers. Someone ask Dr. Ron Paul, or Ross Perot, why those with leverage, are able to negotiate better deals through intelligent design, leaving others as single payers, (poor unrepresented pension people,) to flip their expenses? Do we want to publicly sanction screwing over the poor with ignorance, to feed the pay no taxes either, talentless as lowly, highest ranking rich? I suppose if it means radiation treatments.. anti-psychotics or, the play time of genetically altered vaccine strains of true quackery, as has to be done trustingly religious on someone for our money. Money lost as investment on privilege in the market equation of lowering the human capital available to maximize the de-profiting of our shares for nothing but money grubbers. Again, Americans pay TWICE as much as Canadians per-capita, where for those dollars Canadians get full coverage, while Americans are then expected to go out and buy insurance now. TWICE. (Did you know that DO NOTHING hedge fund managers can "earn" as much as 1.7 billion per year in salaries by nickel and dooming everything? And, it's only an elite small few who are 'lawed' to do so? Now, who would want that in a free to be me democracy?)

traffic light for commies, traffic light for commies

A dying waged - by the painfully wealthy status-quo ignoramuses "this is the first step to socialized medicine!!" ahhh!!! caring doctors with calculators are connecting for better prices to improve care.. We'll take less and they'll be free to think.. FOR THEMSELVES! AHHH!!! bare ass and run

for cover!! embarrass for. a caring Doctor with math skills and Law is a comin' round, play smart stupid. "What do we do again"?, play smart stupid. . (`_`)

To fix this we must decide what this issue that encompasses the "Health Care Industry", is passing ourselves away off as. Politicians who promote pushing the power of pill popping to purchase your placated peace of mind is perturbed.,

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

A reminder: Peres, the Devil demon LIAR, sounds as sweet as any little old man could, but for the fact that he LIES about targeting innocent godly people for murder! While playing ignorance, as if, he doesn't faith G-D as a real Jew would from Israel. Zionists are atheists who lie as neocons who sacrifice all for ill gotten money stolen from US as the blind foolished already with G-D from the Ol? Testament, all on how this Life suspends storied belief as Divine, to say finally, out loud, "hey wait a minute, who's in charge here?", is really something of a miracle. At least when I say it.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of tragedy?

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TVs. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

BUSHITE AMERKA CLAIMS THIS DOESN'T WARRANT THE DEATH SENTENCE?

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of GOD. Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

Murdering bushite gang rapists try escaping true accountability

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just

as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

[Option B: More Dead U.S. Generals And Fewer Dead U.S. Troops ?] \ \

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Just look at that my friends of Earth just look at that. Americans speak only contempt for the value of human life. Every day, INNOCENT Iraqis die by the criminal actions of the demonic neocon enemy forces of EVIL, and our deaths as the god loving mean nothing. A small few die in a bridge ACCIDENT, and every corporate channel devotes the entire day's news as it. Allawi confesses to killing children for "CIA" money, and there, as with the soldiers who braggingly, beat innocent children to death for sexual pleasure, bomb people indiscriminately, or steal all the humanitarian aid, don't command your slightest concern as impartial paying for it TV viewers. They say, US people who aren't "Americans", do not deserve due process, the freedoms they claim to own exclusively, of which WE, are granted nothing of. See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

http://existentialistcowboy.blogspot.com/2007/06/911-culprits-why-towers-really-fell.html

/ / We know that a crime was committed on 911. George W. Bush, of course, quashed all investigations before they could begin. Since when are crimes not investigated? [...] It is not too late, however, to begin such an investigation. There is no statute of limitations on mass murder. \ \

So, million dollar saleries? I doubt. Likely a neocon enemy or two robbing from an undefended America. Remember, Peter Power wants US to believe ALL of Scotland Yard would murder Brits for stolen bucks. Frankly chaps, I just refuse to believe such bullocks.

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. While CNN, CBC, and FOXNEWS couldn't care less for those children, but will tell us, these 9 accident victims must rule, so far, two full days of wall to wall coverage. "Pro-Western" Allawi blowing up school buses for "CIA" money? Who cares? Really who cares in TV America for defending OUR children's lives I'm saying? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell

well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

WE KNOW they murdered everyone they could in around between 15-55, but went ahead gunning for infants and the elderly too under Sattler. Look it up. Death to the demonic bushite LIARS, death to the enemies of Man, so says the Son to God as Man to men - Kill the dishonorable bushite enemy and be Loved by all as Savior.

DEMON MURDERER PETER POWER TRIES TO LIE HIS SOCKS OFF ABOUT HOW HE MURDERS LONDONERS AS A FOR REAL TERRORIST RECRUITER

[letter written as signed by Peter Power to MSNBC et al.]

/ /It is confirmed that a short number of 'walk through' scenarios planed [sic] well in advance had commenced that morning for a private company in London (as part of a wider project that remains confidential) and that two scenarios related directly to terrorist bombs at the same time as the ones that actually detonated with such tragic results. \ \

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to
testify to Congress because Congress, in fact, doesn't have
oversight abilities."

IT LOOKS like they are going to attempt making the move of
BLATANTLY TREASONOUS war criminals acting to measurably now
destroy yOur Freedoms in godless America. The Satanic
neocon's 'faith', is in that YOU as an American, will watch
the same corporate drivel that offers next to nothing to
empower YOURSELF to speak Justly for a dying America. Instead
of demanding 24 hour, wall to wall news coverage, of war
criminals going down one by one by the will of Man to Justice,
CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that
you are only a impartial viewer, who doesn't really care about
dying right in front of yourself for the zionist's riches, and
great worldly power of tyranny through lawless nazi bushite
censorship.

AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

MY government? Now that's entitlement. And you thought George Bush didn't have a vision for America \ \

Hitler, the mad man, wasn't as insane as our demon enemy George Bush Jr. is.

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in

Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we shall succeed. I will not willingly live in a forsaken world

with LIAR zionist war criminals conning US to believe, God is
not Great, True, Strong and Just.

Die bushite die!

Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of Just causes. The THIEVING satanic bushite forces, speak only contempt for GOD on our demandings of the public execution of the boastful

terrorists, like the bushite who video taped the murderous assault of OUR kidnapped bare footed children, or murdered Iraqis while desecrating ELVIS, done all to please the "escaping" satanic demon antichrist zionist, Our Mr. bush Jr., who with his private business partner, General Ahmad, actually committed the ungodly treasons of 911 in a land of blind men sleeping., according to the eternally Honorable FBI anyway.

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Why should WE continue to silently die unjustly victimized?, for the bushite's contempt of Mankind censored?, the Eternal Son of Man to GOD forever answers correctly. We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt. Bushite tyranny is a dead end road paved with missed opportunity. change your evil ways in other words, and join the living side that's light to know what we are, in deed, looking at here under the dying spoils of bushite, "we pay" misfortune. To hell with Satanic demon devil worship by the President of the United States, We, the People answer, for now anyway, we have some really serious business just presently, and we really don't need to be any more reminded about Mr. Bush's satanic Devil, demon whoreship, of, "Molech", a religion practiced to deceive America into sacrificing our kids for cash with YOUR blood.... Tricked. Tricked. Tricked.

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as

equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that. Talk radio in America should take open line calls on our ideas about how to actually plan to defeat these, found factually to be, traitors to God and Country.

Freedom Fighter? or crackhead WHORE, who hopes to find a dollar 'somewhere' to stave off it's crackmaster, the "American People", led by the un-elected demon dictator, our criminal Mr. bush Jr., as the true enemies of all Mankind. Bushites are on serious dope to be so dumb as cowardly accomplices to a traitor of themselves, that they would die as, before actually defending God's America - that they gave an Oath to.

I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq

Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without

nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? In fact,why don't American Congessmen, who believe in defending Liberty, campaign JUST that? Why not??? Is it because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American

kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE
Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

Senior Military analyst, Rob Riggle "In the field John, the

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend

you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege. Coast to Coast radio hosts need to be publicly challenged for debate they deny US knowing of together naturally speaking. Great example of our Problem: CBC National Radio, in Canada. -

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will

forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand

why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

-

Again, my friends, Art Bell and George Norry have thousands of
bushite dumfuk in America that will phone them to tell US how
greatly they are to have no care for dying freedoms in
America. While when the humans call, Art Bell for example,
between breaks, when privately screening his calls, just hangs
up on anyone he fears might articulate things like Ahmad
funded 911's Atta, according to the FBI, in defense of
America. I say, we at LEAST, talk about putting them both to
death for treasons against Your Life dying teen soldier,
wannabe Patriot. Make sense?

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've
NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a
bushite false accusing traitor of American Freedom To-day, and
become a real Man in the presence of Johnny America, an actual
Man of Men, Lord of Lords, and King of Kings.

McCain speaks NOTHING to demand the
execution of hiding as 'British' soldiers who on prized video
tape, beat to death young barefoot children for erotic fun,

nor on mercury vaccines not banned minus "The President" in name. BANNED.

Sorry everybody, but that's the way it's gotta be for my Life to have meaning terms.] Long story short: Females Rule, and wiseguy Johnny is Freedom King for this moment Being.

Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Be a friend if not an enemy,
Your buddy,

King Johnny

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again a Patriot Soldier whose only crime is that he refuses to commit a crime in Your name. Do something about it. You defend this Patriot American Citizen as if Your America depends upon it. The "Judge" who publicly forbids to hear Watada's freedom defense, an Oath every Soldier swears to God with, is a "Judge" who needs to be privately arrested for treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave prisonized in a military dictatorship your 'neighbor' will say quietly of, (under his bushite breath,) good riddance to caring where my pusher's overdue payment goes to??. who the kcuf are you?? ... Eiiiaaahh! Jesus kills bushite for breakfast.

- On yet another, praise be with US, Alex Jones News Podcast -

Bob Watada: "He did his own research, and he found that there was not only deception, but clearly lying by the commander.

Now if YOUR boss lied to you, and put YOU out on the line, so that you can get KILLED, what would you do?"

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

Great words from the lawyer of the thieving bushite child killers of
Haditha

/ / "There were Harriers dropping 500lb bombs on buildings.
If they're dropping 500lb bombs without knocking on the door
first, how can you argue the troops on the ground did anything

5000lbs of radio-active toxic waste that will murder for years
more like, while after, then striking again to get the god
helpers and screaming children, then even, as in Fallujah,
going house to house to murder every one, young and old as the
truly Satanic. Just obeying lawless orders to thieve from
Humanity as bushite for neocon zionist traitors of G-D doesn't
fly in the big book. When anyone kills a bushite, all
humanity benefits truly from the defense. You defend a real
suffering God by ending a soulless bushite threat against our

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt
those who stole billions with ear-marks, Social Security,
no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the
emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People
like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill
it proudly for freedom, as an undying love for a real God and
Humanity.

-

Again, a Patriot Soldier whos only crime is that he refuses
to commit a crime in Your name. Do something about it.

http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba
MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence

3.

RTI News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks.

The US Government said there would be no negotiations.

October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen Mahmud Ahmad sought retirement after being superseded on Monday, the truth is more shocking.

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation,

The honorable Argentinean oil company Bridas' relationship can not be understated as the Bush Administration's primary motive on criminal invasion of Afghanistan to save his biggest corporate backers, the American pension thieving Enron.

HANS BLIX: "And at this juncture, we are able to perform professional no-notice inspections all over Iraq and to increase aerial surveillance..."

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

ARISS event - Ashland Greenwood High School, Ashland, Nebraska, USA
An International Space Station Expedition 15 ARISS school contact has been planned with students at Ashland Greenwood High School, Ashland, Nebraska USA on 29 August. The event is scheduled to begin at approximately 16:03 UTC.

The contact will be a direct between stations NA1SS and K0ASH. The contact should be audible in most of the central United States. Interested parties are invited to listen in on the 145.80 MHz downlink. In addition, the audio should be available via IRLP and EchoLink. The participants are expected to conduct the conversation in English.

Ashland-Greenwood Public School has 879 students and is actively engaged in providing a well rounded education.

The excitement has grown in the curriculum areas of science and space because Astronaut Clay Anderson, KD5PLA, is a 1977 graduate of the school.

Ashland, Nebraska, population 2,262, is located in southeastern Nebraska between Lincoln, the state capitol, and Omaha. Principal products are agriculture and light manufacturing.

Participants will ask as many of the following questions as time allows:

it means get kelp it is joking play on calling someon marine life and
telling them to get help

it is over all an effort to make light of the efforts of the NG

Stop lying, The truth is you steal everyone eles's quotes off of
Usenet and put them on your blog. Then you claim someone is quoting
what you wrote, when in fact they are quoting the same text that you
stole. You've never had an original thought in your entire pathetic
life.

At 1:38 AM lonely Dave "fat cockroach" Heil, K8MN (take note new hams
of the hypocrite assheil's postings) whined:

That's not what their "rap sheets" indicate.

Why did Leila appear in that men's porno mag 21-some years ago?

>UnWiseman.

Unoriginal. So very Heil.

>The matter of whether I have sex with my wife is not your concern.

So you admit you don't have sex with her.....

>> And here you are up at 1:08 AM masturbating to the posts. I bet you
>> waited up all night just so you could log on and read them.

>It is an interesting note

It is interesting to note that there you were here whining at 1:08 AM
instead of being with your wife.

> Sill haven't figured out how to use that kill file...

"Sill"?

"velley"

>I've known how to use one all along.

Sure you have, sure you have. The fact is, you rather enjoy showing to
new hams

exactly how an embittered old time ham acts towards others they view
as not having

the same narrow views as you do.

> ...no wonder the State
> Dept. forced you into early "retirement." They could only take so much

>Any Foreign Service <more lies>

Mainly, you were forced out for your incompetence.
Poor Dave, still smarting over his alleged expertise in State Dept.
communications from the Cashew Nut Capital of Africa.

>You're actually right

Of course I'm right.
Sucks for you to have your lies exposed, eh, hypocrite?

>> "That's" is a contraction, not a sentence.

>The moon's full and you grow increasingly erratic.

Only an idiot would believe that the moon has something to do with
people's

behaviors. But then, you actually believe in so many fairy tales, like
the ones propagated by your dead daddy the child diddling priest.

> And you are never correct, factually or otherwise.

>Sure <lies>

Poor Davey, he couldn't lie and backpedal out of it.

>Putting forth effort is in no way hypocritical.

When are you going to start on doing that effort?
And you are a hypocrite.

>You've not infested our place

No, Leila's done that all by herself. How is that inbred capital of
Cameron, BTW?

>"Enourmous", huh?

"velley", huh?

>you're "sill" not playing with a full deck, Bedbug.

You are about as competent as Mark Morgan. He may have you beat.

>My "litle"

Yes, your "little" thing keeps you from having sex, too.

>> Pity you don't follow my example.

>Wake <backpedal>

Wake up yourself, your opinions mean very little to anybody.
All you wish to do is to force your will on the rest of us.

You are quite the fascist.

Yes, one tries to stick with winning methods, as opposed to yours.

>You know I'm kind of bumbling sociopath.

You sure are.

Yes, I know that task isn't what you are used to, given your limited
thinking ability, but try and keep it in mind.
Even though Marqueer Morgan has spammed the newsgroup into
unsuitability, your posts are there as well.

>I did no whining, offered no excuses and did no backpedaling.

Classic denial from Assheil.

>> Yes, you are very weak.

>If that's the case, why <flush>

Save your lies and unsubstantiated bullshit. the ARES meeting was
over, The hams were just having small talk and Roger wasn't even home

>That's just more transference <plagiarizing and IKYABWAI>

That's just an IKYABWAI, from the book of schoolyard tactics by Davey
Assheil. You have the defective DNA, and got it from that sniveling
coward father. I can just see it now, the real soldiers around him
wondered what kind of sissy mama's boy he was, crying, and on his
knees in one of the corners of the troop ship hold.

>A kill-file doesn't solve the problem.

No, you'd still be as big an asshole as ever.

>Yes,

Glad you agree your "opinions" mean very little to anyone.

>> since you went and stalked Roger...

>Since I "went and stalked Roger"? *snicker* How did I stalk you, Roger

You stalked him, and you know it. You went by his house and took
pictures of it and posted them, when none existed on the internet
perviously. You asked him if he would like to see some of his
newsgroup posts on utility poles in his neighborhood (an illegal act
in itself). You are stalking him.

>>and why are you writing of yourself in the third person again?

Yeah, you're real tough, you fat pussy.

>Where can I get one like yours--the kind which lets me use a computer,

fled and others, noting your quick departure, snickered. You never
returned and you let your ARES membership expire.

No, Rog, you may post as many crackpot, amateur radio-related posts as
you choose in this venue. You may even drift off topic. What you
should not be doing is posting filth about another, his spouse, his
parents, his children, his grandchildren or his pets. You lack the

I have no way of knowing whether any existed "perviously" or not. If
they existed, I have no doubt that it was "perviously." It doesn't make
any difference if they existed "perviously" or not. You did what you
did. I told you what would happen and I took the photos. There are no

laws which make taking a photo of a sociopath's or anyone else's house. What you got was a reaction to what you did. Mull it over. Think on it. May enlightenment come your way.

> You asked him if he would like to see some of his

Asking if you'd like to see some of your posts on a utility post is *not* an illegal act in or out of itself. Are you ashamed of your previous posts? Are they something you don't think your neighbors should see? Well, Bedbug, your police force has seen them. The prosecutor in our fair county and a detective for our sheriff's office has seen them.

> You are stalking him.

On the contrary, I'm defending myself *from* stalking *by you*.

>>> and why are you writing of yourself in the third person again?

No, Bedbug, I use no other identities ever in posting to usenet. I used no other identity in making the post to which you responded. Your "PKB" (perhaps you didn't even realize it) is as much as an admission of your identity. You're slipping.

No, Roger's-imaginary-friend, I have posted no filth about your adoptive
mother or father. I have no idea who your wife was and didn't know you
had a daughter.

I did no whining at all, Rog. I outlined your actions, provided
documentation and expected them to take action.

fearful.

Mheh and a couple of Bwahahahahah's thrown in. Name one of your
successes in life, Roger. Just one will do.

Try it yearly. Do it every two or three years. Tell us one things at
which you've been successful in life.

Poor Roger. He asked for a "vote" and nobody responded. So much for that failed endeavor, eh?

Of course this lack of response is due to the fact that Roger is recognized as being just as much of a crackpot as Mark. Both Mark and Roger seem to enjoy one of those odd, symbiotic relationships that often occure in nature...not unlike a Dung Beetle and the necessary pile of dung. The problem here is in determining which of the two is which.

Stop lying, The truth is you steal everyone eles's quotes off of
Usenet and put them on your blog. Then you claim someone is quoting
what you wrote, when in fact they are quoting the same text that you
stole. You've never had an original thought in your entire pathetic
life.

Hey, Woger. I just finished a brief QSO on 14.335 USB at 0245. I ran only 25 watts to do so. I spoke quite clearly with a Ham in Florida for a period of ten minutes.

Perhaps you should now chime in, Extra Roger, and tell me that this QSO is not possible.

And no, I will not give you the call of the Ham I worked. You don't need to know.

Go back to bed with your inflatable "girlfriend" du jour and call it a night and suffer the pains of wishing that you had a gal pal as gorgeous as Mrs Heil.

You couldn't come close to even touching a classy woman such as she...

Who cares what one web site doesn't sell? That doesn't mean jack.
You can get one from Jay and cut out the middleman.

The Conspiracy nuts are on 3944 going strong. All our ills are the result of the New World Order conspiracy fomented by the Jesuits.
The Dummy even blames the Civil War on the Jesuits....and he claims he can prove it.

He even claims that Islam is a creation of the Pope....

KC0EBM is an even greater Kook than Vic....

Let me count. Hmmm...
Dave Heil = 1 post
Roger (claiming to not be Roger) = 8 posts

It is patently clear which one is the "owned" psychopath.

Better take your shoes off, everybody and especially your former co-
workers know you can't even make change correctly.
Was that a factor in you getting fired?
And, let's count your posts, sheall we? You made several of them
whining at early times in the morning, when you sobered up somewhat
after a night of drinking and not just that woman's beer you like at
about 5 am. Was that when you finally waddled back inside teh shelter
after meeting your black wino "customers" behind it? What's the
matter, Porky? Didn't your daddy want you back for Labor Day?

It is patently clear that Roger owns you as well.....

Posts today.

Dave Heil = 1
Someone claiming to not be Roger Wiseman = 10
And then Roger says, "And, let's count your posts, sheall we?"

Of course Morkie wants the claimant who used 20M, 25 watts, to talk to a Florida station in the early hours to give the location from which the poster transmitted. Nice try, Morkie, but no dice. You have no need to know. Perhaps Mork should spend less time trading misspelled barbs with Roger on Nimbusters and more time listening to 20 Meters.
Roger wants "proof". How does one post "proof" of a few minute 25 watt contact on 20M, or any other band for that matter? If Extra Class Roger disbelieves the contact took place, so be it. Roger has already shown his lack of knowledge as to how the 20M band works, so his childish challenge, too, is to be ignored.
One would think that Roger would be a bit better versed with the workings of propagation. After all, he's taken his Ham tests twice as often as the rest of us.
Maybe Mark can explain it to Roger since he's taken only half the tests that Roger has.

That you post in filthy, frantic, frothing frenzies is a widely held
view, UnWiseman.

There is no such word as "pedophilic", Rog. My father never engaged in
pedophilia in his life. Why would you write such a thing, unless you're
mentally incompetent?

You provide evidence to support the theory, Rog.

There's no "pyschostalker" or even "psychostalker", UnWiseman.

There are those who care what I write or say, Rog. Why not just say
that you don't find any value in what I write or say?

>> Did you make DXCC on your DX-CC yet
>
> Get that nomination for the ARRL regional office yet, asshole?

I've not attempted to obtain a nomination for any ARRL office since my
return to the U.S., Rog. If I choose to run for League office, it won't
be hard to obtain the required number of nominations. Don't spend time
worrying about it though; I won't accept your signature. There's no

place in amateur radio for malevolent, unstable Stephen King troll dolls.

>> Unwiseman?

It is completely original. I'm the individual who came up with the
apropos name for you. It suits you. Wear it well.

Nothing better is needed. It is so YOU.

You haven't been observing.

I don't know of any Heil news service. Tell me about it.

There is no "Marashall county". Here in Marshall County, no such thing
seems to be known. Is it something you made up? I know a number of
Cameron residents who'd welcome the opportunity to discuss the issue
with you.

It's true. You aren't up to Mark's standards, UnWiseman. He merely
floods and spams. You're mentally ill and you post filth. You can't
control yourself.

>>>Yes, your "little" thing keeps you from having sex, too.

I'm not being defensive. What is your interest in the size of my sexual
organ?

I have no interest in such things, Roger, nor have I written anything
which could be interpreted in such a way. I wrote that you seem
fascinated with my opinions.

> You shouldn't embarrass yourself
> any futher.

Any "futher"? The embarrassment isn't mine.

Nothing I've written to you could possibly be construed as sniveling or
fawning. You're a piece of human detritus.

>>> All you wish to do is to force your will on the rest of us.

Could you name a single one of them, UnWiseman? A single name will do.
Would you have us believe that anyone would admit to being your friend?

You don't "kbnow" very much, Rog. I've not lied at all.

Ray Tabeling, Roger--the fellow you were making fun of just after his
death. You fled during the tour of the communications van.

> Nobody "snickered:" except you and your gay boyfriend Bertie.

I know no one named "Bertie" and I have no gay boyfriend. Numerous
people snickered. You wouldn't know about it. You'd already fled.

I can't admit that, Rog. I was there. My wife was there. You were
there, but you wouldn't open the door. We rang three times. You came
to the door and looked through the peep hole. Then you became very,
very quiet.

That seems unrelated to what I wrote. Let me try again: Have you ever

No, Rog, he didn't snivel. He prayed. So we have this straight: Is it

There you go, Rog. It was a Liberty ship, not a troop transport. The
story errs in describing a "ferry control ship". Actually, the
Robertson was the Port Director for Utah Beach.

Yep. Making a promise to God cannot be defined as "sniveling to God."

> Still a transport ship.....

The Robertson was not a troop ship. End of story.

It was a "process", Rog. It was a slow process because much
deliberation went into it.

Unless you've turned yourself into a steak dinner, there'll be no

Roger was bragging about his sexual conquests to Mark.

"I reckon I've had every guy in Glendale except for my Daddy and my brother."

Mark absentmindedly replied, "How 'bout that. Between us, we've had 'em all!"

2403. Why Many Hate Porn?

Newsgroup: rec.radio.amateur.policy
Date: 2007-09-06 10:10:29 UTC
From: crushenvyandprejudices@yahoo.com
Message-ID: <1189073429.144713.134940@w3g2000hsg.googlegroups.com>
Source record: 197341

Human natures are fine tuned for gene pool survival.

The way we evolve in the gene pool is that when we're not at war, we're in a race.

Peace and freedom means competition. Some people are uncompetitive. So they don't want to compete. Those people demand slavery.More...

Those who demand slavery are not necessarily poorer or richer, superior or inferior. Those are people that somehow do not like competition.

The farm owning farmers in southern US, for example, do not want to compete with the higher salary the industrial north has, so they demand slavery. This happens despite the fact that the landlords are already way richer than their slaves.

Uncompetitive businesses also do not want customers to be free to choose the best products. They demand enslavements of consumers by restricting consumers choice to choose better products.

As time goes by and consensual productive means to aquire wealth become available, those who oppose competition tends to be the one inferior.

When we're not at war, we're in a race. So in a sense, some part of life is a zero-sum game. The happiness of some superior competitors correlate with gene pool survival of such people. This correlate with the extinction of inferior people and this make inferior people unhappy....page...

For example, women prefer rich smart males and normal males prefer as many females as possible. Actually poor males prefer more money rather than more women, but that's later.

If rich smart males get more females, then rich smart alpha males will survive better in the gene pool. That means, the other males do not get any. Hence, the lesser males will not be happy. They will then come up with monogamy to ration females in equal share for everyone.

Those who are uncompetitive are not going to say honestly that they are disgruntled competitors. They're going to come up with some religious unscientific fairy tales to come up with pretext that freedom, such as free sex is wrong.

In short, whenever someone is happy, whenever something gives pleasure, happiness, and money, you can count that someone, somewhere, somehow, will come up with some fairy tales of who knows what that

somehow it's wrong, bad, and should be prohibited.

The preference to snuff of happiness earned by others are called envy. In a sense, those who want to be happy are meant to kill each other with those who are envious.

Unless those who run the fastest also hit the hardest, success is simply a bridge to a gas chamber. Deviation from free fair competition turns life into some form of gun fight.

Not everyone can be appeased in a gun fight. Envy is simply unappeasable. The way to keep pursuing our happiness and still be alive is either to kill, or threaten to kill, those who are envious of us that it's not to their best interests to kill or prosecute us....page...

That's why I strongly support death penalty. Without it, all succesful people will be slaughtered by bigots that don't mind going to jail for it.

It's also the same reason why many ugly women oppose porn. That's because those women are envy bigots.

Think of it this way. Pretty women can just show some skin and make millions of dollars. Ugly women has to sexually serve poor males and get knocked up for much less money.

If this keeps going, pretty women can pick the best males with the best genes and provide their sons with better education, opportunity, and more initial start up capital.

The pretty genes will survive better in the gene pool and the ugly will be outcompeted, like in Europe or Japan. All thanks to porn.

Obviously, pretty porn stars are way better of then ugly wife. Becoming a porn star or prostitute is then one of the best job ever in this world.

However, out of envy, ugly women will want to prevent that. What's their justification? By saying that all the good jobs are so bad that it can't possibly consensual, and hence has to be prohibited.

They said that porn should be prohibited to protect women. Which women? Not the consenting one of course. How in the earth people get protected from consensual offers anyway. It's there to protect disgruntled envy competitors.

It appears that others found some humor in the cartoon. Since it was about
you it is understandable that you dislike it.
But you don't count and the cartoons will continue.

When you stop flaming, I'll stop cartooning. (you missed the one on flame
fest)

Poor Mark Morgan. Must be a slow night in Chassell.
He had to go back a year to drag an old, forgotten post to the front.

It must be sad being Mark.

Bush's police suppress Sept. 15 press conference
Plus, read an AFP wire story and see the video

While the momentum for the Sept. 15 Peace/Impeachment demonstration grows, the Bush Administration is going to extraordinary lengths to suppress the mobilizing for this mass demonstration.

Less than 18 hours ago, National Park Service Police turned a September 15 Press Conference, held in front of the White House, into a chaotic scene. On the pretext that there was no permit for a three foot long folding table that the media placed their microphones on, the police intervened in the middle of the press conference to announce that it was an unpermitted activity. Three people were arrested and are still being held in jail. They include Adam Kokesh, an Iraq war veteran; Tina Richards of Grassroots America; and Ian Thompson an ANSWER Coalition organizer.

The Parks Police even rode a horse directly into the crowd of reporters and shocked onlookers. The National Parks Police is an agency in the Interior Department whose Secretary is a member of George W. Bush's cabinet. In recent weeks September 15 organizers have been fined more than $30,000 for putting up posters promoting the September 15 March on Washington.

We encourage ImpeachBush.org members to circulate this email and the important story from the AFP wire story that documents this outrageous assault against Free Speech rights by the Bush Administration. At the end of this email we are also enclosing a link to a video on YouTube that shows some part of the suppression of the September 15 press conference yesterday.

Bush and company want to prevent people from coming out for a mass action led by Iraq war veterans and their families that will expose his war propaganda as a lie. The Administration wants to suppress the growing movement for impeachment. This is a showdown of great magnitude.

Please make every effort to come to Washington DC on September 15. We will not be intimidated. Join the tens of thousands who are coming to Washington, DC on September 15. Buses, car caravans and vans are coming from more than 100 cities.

If you cannot personally come you can help by making a generous donation. The buses, literature, posters, stage, sound and other expenses are immense. Many have already contributed.

The Demise of the Global Warming Hoax
by Alan Caruba
September 02, 2007 01:50 PM EST

When did the global warming hoax die? Historians are likely to pinpoint 2007. It will take another decade to insure it cannot be revived, but the avalanche of scientific studies and the cumulative impact of scientists who have publicly joined those who debunked the lies on which it has been based will be noted as the tipping point.

It took some forty years to unmask the Piltdown Man hoax that began in 1912 alleging that the skull of an ancient ancestor of man had been found in England. Any number of British anthropologists unwittingly contributed to the hoax by confirming the authenticity of the skull until it was found that the jaw of an orangutan had been cunningly attached. The unmasking of "global warming" has taken less than half that time.

The hoax has mainly been a creation of the United Nations Environmental Program and took off in earnest with the 1992 Earth Summit. It culminated in 1997 with the Kyoto Climate Control Protocol, an agreement to reduce the generation of carbon dioxide, a "greenhouse" gas (CO2) said to be the cause of an accelerated warming of the earth. By 2005, 140 nations had ratified the pact, agreeing to reduce CO2 emissions. Notably exempt from the pact were nations such as China and India. Few, if any, nations have ever met the limits that require reductions in CO2 production, attributed to the use of so-called "fossil
fuels" such as oil, natural gas, and coal.

The United States refused to ratify the Kyoto Protocol and, at one point, the U.S. Senate unanimously passed a resolution rejecting it. This has not kept the U.S. from spending billions on so-called "climate research" intended to address climate change with the aim of reducing or capturing CO2 emissions. Had that money been devoted to maintenance of the nation's infrastructure, tragic events such as the collapse of the Minnesota bridge over the Mississippi might have been averted.

In August, it was revealed that NASA scientists had corrected an error that resulted in 1934 replacing 1998 as the warmest year on record in the U.S. Repeatedly the data put forth to justify the global warming hoax has been debunked.

As Dr. David Wojick recently noted, "The real significance is that such a small correction can make such a big difference. The reason is that the much touted warming of the last three decades is merely a return to earlier warm times, after an equally long period of cooling. There is no way this pattern constitutes a warming trend.In short, there is no evidence for human-induced

global warming in the U.S. temperature record."

"Anthropogenic (man-made) global warming bites the dust," declared astronomer Dr. Ian Wilson after reviewing a new study that has been accepted for publication in the Journal of Geophysical Research authored by a Brookhaven National Lab scientist Stephen Schwartz. A former Harvard physicist, Dr. Lubos Motl, said the new study has reduced global warming fear-mongers to "playing the children's game to scare each other."

The new research concludes that the Earth's climate is only about one-third as sensitive to carbon dioxide as a series of reports by the UN's Intergovernmental Panel on Climate Change has asserted for years. The IPCC reports have been increasingly dismissed as deliberate distortions of data that amount to little more than propaganda to advance the "global warming" hoax.

Having testified before the U.S. Senate Committee on Environment & Public Works, paleoclimate scientist, Bob Carter, noted in a June 18, 2007 essay that global warming has stopped. There has been little, if any, global warming since 1979, a period over which atmospheric CO2 has increased by 17 percent. Thus, the connection between CO2 and "global warming", the key to the claims that it is occurring and will increase has been proven wrong.

Dr. Roy Spencer, another critic of the global warming hoax, has noted that "At least 80 percent of the Earth's natural greenhouse effect is due to water vapor and clouds, and those are largely under the control of precipitation systems." The computer models used by advocates of global warming have been able to include the actions and impact of clouds, thus rendering them seriously flawed.

Prior to and during 2007, one research study after another revealed that the central premise of "global warming" lacks any scientific merit. One by Dr. Tim Patterson concluded that, "The earth temperature does respond to the solar cycle as confirmed by numerous studies." The solar cycle is known to be about eleven years in length and reflects increased or decreased sunspot (magnetic storms) activity. It is the Sun that largely determines the Earth's temperature, which is never the same throughout the planet, given seasonal and solar changes.

In 2007, meteorologist Anthony Watts who led a team of researchers revealed that, "The U.S. National Climate Data Center is in the middle of a scandal. Their global observing network, the heart and soul of surface weather measurement, is a disaster." It had been discovered that many of the measuring stations were placed in locations such as on hot black asphalt, next to trash burn barrels, beside heat exhaust vents, and even attached to hot chimneys and above outdoor grills!

Determining the Earth's temperature, says Bjarne Andresen, a professor at The Niels Bohr Institute, University of Copenhagen, collaborated with two other professors to write an article in Science Daily, saying, "It is impossible to talk about a single temperature for something as complicated as the climate of the Earth." Indeed, "differences in temperature drive the

processes and create the storms, sea currents, thunder, etc. which make up the climate."

In May 2007, Dr. Reid Bryson, the founding chairman of the Department of Meteorology at the University of Wisconsin dismissed fears of increased man-made CO2 in the atmosphere. He called the "global warming" argument "absurd." As to any increase in the Earth's temperature, he said, "Of course it's going up. It has gone up since the early 1800's, before the industrial Revolution, because we're coming out of the Little Ice Age, not because we're putting carbon dioxide in the air."

On August 15, 2007, meteorologist Joseph D'Aleo, the first Director of Meteorology at The Weather Channel and former chairman of the American Meteorological Society's Committee on Weather Analysis and Forecasting, said, "If the atmosphere was a 100 story building, our annual anthropogenic (man-made) CO2 contribution today would be equivalent to the linoleum on the first floor."

There will be dying gasps to this hoax, not the least of which is a planned $100 million media blitz by Al Gore's Alliance for Climate Protection, but the public is already far more concerned about instability in the Middle East, the forthcoming national elections, and shocks to the U.S. economy to accord such an effort much credibility.

Hoaxes have a life of their own and "global warming" is now coming to an end. Mark 2007 as the year it began to seriously bleed to death.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives

forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Nationless bushites who blindly war Life as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

http://www.esterrepublic.com/Archives/djamail9.html

/ / "With no medical supplies, people died from their wounds. Everyone in the street was a target for the Americans.

The US also deployed incendiary weapons, including white phosphorous. "Usually we keep the gloves on," Captain Erik Krivda said, but "for this operation, we took the gloves off". By the end of operations, the city lay in ruins. Falluja's compensation commissioner has reported that 36,000 of the city's 50,000 homes were destroyed, along with 60 schools and 65 mosques and shrines. \ \

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unexceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Tatum, who freely confesses he's a proud child killer without
apology, is being made a free man in evil bushite amerika.
The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR
Paul Ware and Mattis hides from the Christian American Family.
Will YOU, as an American man, allow these two bush bitch nazi
punks to survive as furthering the commitment of more war
crimes against the INNOCENT? as a zionist neocon's "Hero"?
Will You defend our girls? Peoples of Earth! Help Me save our
children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1
and 2, but the reason he did so was because of his training
and the circumstances he was placed in, not to exact revenge
and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT
MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A
FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS

DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life 'judge'] Lt. Gen. James N. Mattis, that charges be dismissed, \ \

"Mad Dog Mattis,"

MATTIS!! The guy who murdered countless women and children at a wedding party, while after getting caught PROPAGANDIZING to forsaken America the innocent victims as al-Qaida!! CAUGHT! Mattis called innocent six year old girls "al-Qaida"! CAUGHT!

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis has been made into a "JUDGE"!! THE WOMEN HATING NAZI FUK! A JUDGE of Men by 'law' in bushville!!!

the [anyone's] CHILD KILLER Lt. Gen. James N. Mattis QUOTE: "It's fun to shoot some people" - defenseless innocent WOMEN HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT BACK FOR CHRIST! FIGHT BACK FOR our dying aMERICa!

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

TRAITOR Mattis "The Marines have landed, and we now [as ENRON] own a piece of Afghanistan." [thieving from all for 911's neocon, especially undefended American pensioners... hail satan - 666.]

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

PROTECTED BY BUSHITE DIRECTLY RESPONSIBLE FOR THE CRIMES OF 911!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

CBC National News producers must be tried for treason, CBC reported that the Taliban banned girls from school, and women from work. LIES. I want the death sentence returned to Canada, to have executed Brian Stewart for his boastful true contempt for the lives of Canadian soldiers, who he LIES to, to have them die as assisting the escape of the zionist bushmob, by supporting fundamentalist dope pushing savages. Death to the documented liars of the zionist neocon, death to those who indiscriminately murder our species for a stolen nickel.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself.

That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit what more could we ask for? Death to the bushite.

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon
is right in claiming sovereignty over a small fertile area
known as the Shebaa Farms, still occupied by Israel. Israel
argues that the territory is Syrian and will be returned in
future peace talks with Damascus, even though Syria backs
Lebanon's position. The UN's admission has been mostly
ignored by the international media. \ \

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of
blind terror? Only bushite amerika would fall silent under
such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it
will discontinue its practice of "capturing" populated
Palestinian villages during military training exercises. The
IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly
the very same terrorist acts they say we should all be
outraged against? Somalia is a case to point. They murder
helpless people as bushite, then say they'll remain dying to
thieve further as enemies to Humans being. It doesn't fool
me, but perhaps it does you. A neocon soldier murders
innocent Iraqis, while selling you they are all there risking
their lives to bring freedom. So, they die. For lies. Die.
Again, KNOWN Aegis goons openly commit crimes against Iraq

done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminals.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

Pro-mass murderer war criminal Kristol once again, speaking freely to Jon Stewart unchallenged internationally on Our TVs as "Two Jews" stated..

"We don't believe in original sin."

Colbert half an hour later, "Are you calling Jesus a liar?"

Now, that's funny..

See? Jon Stewart isn't Jewish, for he's not black, and he speaks no words in defense of the innocent robbed and murdered in his "Jewish" name. A Zionist! He wants to sound our public voice silent where a Hitler or Kristol marches innocent others into gas chambers by calling ourselves terrorists without a thread of evidence to thieve from as unworthy. Few know, Hitler was a staunch Zionist too. The excuse would be, but G-D is worse.. because, as the "Two [atheist] Jews", they can commit no sin against Christ by trumpeting demon evil lies as if, we have no stronger indivisible arguments present in OUR defense ever for Just causes. AND, he's near the best our American national TV media has to offer!

Did you see Jon Stewart whore himself to Albright TOO!, the physco nazi witch who holds no regret in the murder of more than 500,000 CHILDREN? I believe, Jon Stewart suffers from the ignorance of Celebrity more so, than a genuine hatred for Humanity.. as that is the fault of most TVed Americans. Nothing more greater than getting on the boob tube, to really make your mark on this fleeting world as they sell their life away for nothing but the privilege to be recognized at a gala swarray.. fed on the victimized innocent of Humanity left robbed as worthless their grand stage. His show is often quite bright however, and leastly, reminds people, that CNN, CBC, and FOXNEWS isn't the be all and end all of respect for US caring viewers.

but looksee.. EVIL is real though -

THINK of how Truly evil a person would be to lie for CNN on this issue.. a "Jew"? would do this?..
A "Jew"?

/ / The inflammatory words MEMRI blasted the US media with were when the young caller "Sanable" was supposed to have said "we will annihilate the Jews" were not even mentioned by the caller or by anyone else in that clip. \ \

SEE! A ZIONIST SAID, "we will annihilate the Jews"

http://www.frontpagemag.com/Articles/ReadArticle.asp?ID=25994

/ / When hundreds of millions are calling for the extermination of the Jews of Israel this is more than a lie; it is a blood libel. \ \ This is like satanic neo-nazi EVIL no?

See? Zionists are nazi betrayers to GOD ALMIGHTLY, for they
believe we do not have any power great being Loving for
others. You WILL see how GREAT we destroy the bushite, then
you'll know what joy love for god as innocence is. And then
You'll know for sure, how WE truly are as Just and Free.
And, kinda scary Being all godly and such..

I am,

Demon evil enemy neocon George Norry is a naked traitor to History:

"..Show me proof that there are real demons"

You, George Norry are a demon because you purposefully
broadcast to my America the need for neoconned soldiers to die
for the lawless demon antichrist, knowing full well, you work
'happy' to escape the 911 perpetrators of American
Wrath, like General Ahmad, with your truly evil demonism about

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is
a hit piece that involves, you know, saying that we're all
blaming the Jews, or the Zionists, or something ridiculous,
where we go after an ethnic group, [Jason Bermas suggests
"Jews" = "Zionists"?] 'we' can not be associated with
ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are
Jesus now. They have people saying it's space beams from
Pluto. And folks, I've tracked these people, they all were
formally in intelligence, or connected to the Bushes, the
space beam thing came from a almost cabinet member level Bush
member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of
which he's not as of yet, invited me on as official guest, for
fears he can find no arguments against US I presume. 911
financier Ahmad = al Qaida, and we have molten iron on video
flowing like water. Demon Bush Jr. gave US zero, while
closing criminal investigations immediately after the
terrorist offense of no questions!, no questions! Case
closed. But no, the American media rarely if never mention
these facts, while insisting Bush's deathly war criminalling
is as only a puppet, look away! look away!, leaving without
challenge on the, teen like naivety of wearechange.org's
consistence that "we", who demand justice for 911, who might
also hold the opinion that zionist behavior does not blindly
equal being Jewish, should not be allowed to speak Justly for
our public challenge, because bushite Amerika has no defense
for censorship against ANY of our judicial wanting, as

documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Ron Paul Loves Ron Paul!
http://youtube.com/watch?v=eAvt7BdvJiM

"If you happen to be working for a big company, or the government, you get health benefits dirt cheap.[?] But if your trying to make it on your own, and you don't have insurance, you might be charged two or three time more than the government will pay!"

Almost. PBS showed a man who fell from a ladder, broke a rib, and was bankrupt from his near $250,000+ bill for, for private "free market" health care. Money demanded that doesn't go to the doctors, nurses, or "public" hospitals. So what is Ron Paul saying about Ron Paul? I'd wager, he doesn't know himself, and fears like FOXNEWS from open debate of those who try to teach US to walk through his own argument, (or follow the money (al-Qaida=Ahmad)) and find the fault of all proud blind Libertarians. Look, don't you want the best service possible for the dollars expended? Why give your BASIC health care treatment dollars to a do nothing shareholder, or hedge fund CEOer for procedures, who's success is not made better by needlessly increasing the costs for nothing but selfish sicko greed by bribe payers. Again, rarely are those that "earn" billions in public health care, care givers, but takers. Someone ask Dr. Ron Paul, or Ross Perot, why those with leverage, are able to negotiate better deals through intelligent design, leaving others as single payers, (poor unrepresented pension people,) to flip their expenses? Do we want to publicly sanction screwing over the poor with ignorance, to feed the pay no taxes either, talentless as lowly, highest ranking rich? I suppose if it means radiation treatments.. anti-psychotics or, the play time of genetically altered vaccine strains of true quackery, as has to be done trustingly religious on someone for our money. Money lost as investment on privilege in the market equation of lowering the human capital available to maximize the de-profiting of our shares for nothing but money grubbers. Again, Americans pay TWICE as much as Canadians per-capita, where for those dollars Canadians get full coverage, while Americans are then expected to go out and buy insurance now. TWICE. (Did you know that DO NOTHING hedge fund managers can "earn" as much as 1.7 billion per year in salaries by nickel and dooming everything? And, it's only an elite small few who are 'lawed' to do so? Now, who would want that in a free to be me democracy?)

traffic light for commies, traffic light for commies

A dying waged - by the painfully wealthy status-quo ignoramuses "this is the first step to socialized medicine!!" ahhh!!! caring doctors with calculators are connecting for better prices to improve care.. We'll take less and they'll be free to think.. FOR THEMSELVES! AHHH!!! bare ass and run

for cover!! embarrass for. a caring Doctor with math skills and Law is a comin' round, play smart stupid. "What do we do again"?, play smart stupid. . (`_`)

To fix this we must decide what this issue that encompasses the "Health Care Industry", is passing ourselves away off as. Politicians who promote pushing the power of pill popping to purchase your placated peace of mind is perturbed.,

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

Christ is Person ! ! !

A reminder: Peres, the Devil demon LIAR, sounds as sweet as any little old man could, but for the fact that he LIES about targeting innocent godly people for murder! While playing ignorance, as if, he doesn't faith G-D as a real Jew would from Israel. Zionists are atheists who lie as neocons who sacrifice all for ill gotten money stolen from US as the blind foolished already with G-D from the Ol? Testament, all on how this Life suspends storied belief as Divine, to say finally, out loud, "hey wait a minute, who's in charge here?", is really something of a miracle. At least when I say it.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of tragedy?

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TVs. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

BUSHITE AMERKA CLAIMS THIS DOESN'T WARRANT THE DEATH SENTENCE?

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of GOD. Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just

as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

[Option B: More Dead U.S. Generals And Fewer Dead U.S. Troops ?] \ \

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Just look at that my friends of Earth just look at that. Americans speak only contempt for the value of human life. Every day, INNOCENT Iraqis die by the criminal actions of the demonic neocon enemy forces of EVIL, and our deaths as the god loving mean nothing. A small few die in a bridge ACCIDENT, and every corporate channel devotes the entire day's news as it. Allawi confesses to killing children for "CIA" money, and there, as with the soldiers who braggingly, beat innocent children to death for sexual pleasure, bomb people indiscriminately, or steal all the humanitarian aid, don't command your slightest concern as impartial paying for it TV viewers. They say, US people who aren't "Americans", do not deserve due process, the freedoms they claim to own exclusively, of which WE, are granted nothing of. See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

http://existentialistcowboy.blogspot.com/2007/06/911-culprits-why-towers-really-fell.html

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. While CNN, CBC, and FOXNEWS couldn't care less for those children, but will tell us, these 9 accident victims must rule, so far, two full days of wall to wall coverage. "Pro-Western" Allawi blowing up school buses for "CIA" money? Who cares? Really who cares in TV America for defending OUR children's lives I'm saying? The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. / / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell

well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

WE KNOW they murdered everyone they could in around between 15-55, but went ahead gunning for infants and the elderly too under Sattler. Look it up. Death to the demonic bushite LIARS, death to the enemies of Man, so says the Son to God as Man to men - Kill the dishonorable bushite enemy and be Loved by all as Savior.

DEMON MURDERER PETER POWER TRIES TO LIE HIS SOCKS OFF ABOUT HOW HE MURDERS LONDONERS AS A FOR REAL TERRORIST RECRUITER

[letter written as signed by Peter Power to MSNBC et al.]

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to testify to Congress because Congress, in fact, doesn't have oversight abilities."

IT LOOKS like they are going to attempt making the move of BLATANTLY TREASONOUS war criminals acting to measurably now destroy yOur Freedoms in godless America. The Satanic neocon's 'faith', is in that YOU as an American, will watch the same corporate drivel that offers next to nothing to empower YOURSELF to speak Justly for a dying America. Instead of demanding 24 hour, wall to wall news coverage, of war criminals going down one by one by the will of Man to Justice, CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that you are only a impartial viewer, who doesn't really care about dying right in front of yourself for the zionist's riches, and great worldly power of tyranny through lawless nazi bushite censorship.

AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General

Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt. Bushite tyranny is a dead end road paved with

missed opportunity. change your evil ways in other words, and join the living side that's light to know what we are, in deed, looking at here under the dying spoils of bushite, "we pay" misfortune. To hell with Satanic demon devil worship by the President of the United States, We, the People answer, for now anyway, we have some really serious business just presently, and we really don't need to be any more reminded about Mr. Bush's satanic Devil, demon whoreship, of, "Molech", a religion practiced to deceive America into sacrificing our kids for cash with YOUR blood.... Neocon Soldier

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and
that's why he irrationally started this war against God
conflict. Impeach him, then have him PUNISHED for high
treason against a further dying as truly unheard from America
- for that lie alone - we ALL could/should stand together as
equals demanding re-dress for the innocent murder victims
who've suffered for such contempt, and belligerence for the
basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation
proudly with repeatedly committing aggravated felons, and
South African death squad goons, all to war Love for the
neocon god haters. Who, as peenacking atheists, as their very
own documents stress, would murder anyone of US for a stolen
nickel.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to
take away all your guns, and is a communist, but, Alex as
sometimes, is terrified of those who seek the requirements to
defend freedom directly, as more specific. (Example: NWO
isn't the name of the specific guy who financed 911 to murder
America.) So, as a consequence, he gets near ridiculous with
labels applicable to generalizations only dummies could
believe blindly. With Kucinich campaigning on ACCOUNTABILITY,
Alex Jones looks quite foolish. But, he's still trying.
Thank god for that. Thank god for that. Talk radio in
America should take open line calls on our ideas about how to
actually plan to defeat these, found factually to be, traitors
to God and Country.

Do you know how a crackhead finds itself? Lost by indifference to the ultimate, only goal, more dope. Freedom Fighter? or crackhead WHORE, who hopes to find a dollar 'somewhere' to stave off it's crackmaster, the "American People", led by the un-elected demon dictator, our criminal Mr. bush Jr., as the true enemies of all Mankind. Bushites are on serious dope to be so dumb as cowardly accomplices to a traitor of themselves, that they would die as, before actually defending God's America - that they gave an Oath to.

I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. True, Americans are generally, extremely cowardly as Bush's freely giving PAYERS, led for more ungodly sacrifices in fascistic silence, but this continuing charade of incompetence gathering against our entire Humanity, is going way beyond acceptable to everyone concerning. Johnny Wizard conceivers and otherwise non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS, while George W. Bush personally stole 50 billion from America in the first four months of stealing the initial election.

little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children pratically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? The Pentagon's Power to Jail Americans Indefinitely

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. "Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. "Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're

going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering
answers to any question on the science of God as is pertains
to Justice measured, but this is just who I am to be conscious
man. So, if we can get over the shock of me being so
especially normal, maybe we can then realize, I have some
simple good old ideas that transcend through time by rational
understanding communicable between any two people. I am not a
"miracle worker" to all those I advise to not eat Aspartame
because it's a poison that also makes your body crave
un-needed carbs, that will likely convert to more unless fat.
So, it slowly kills you, while making you fatter than you need
be along the dead end journey faithing in "the system". So,
why do some do it religiously? Who cares (for now) but to
say, our governments are failing US miserably. I spoke
personally with one of the head scientists in Canada at
"Health Food and Safety", and he told me the scientific
analysis done by reputable scientists I found freely available
repeatedly on the internet years ago, was completely true.
(It breaks down to formaldehyde, and methanol (a slow lethal
poison), among other shockers. Poison. P-o-i-s-o-n-s in our
food stuffs. Poisons.) However, he could take no action to
defend Canadians "officially" because we, Canadians, have our
corporate interest news departments completely refusing to
defend ourselves from corporate exploitation anywhere, and as
natural consequence, we, as the dying world, would together
unrepresented, probably lose a law suit from mutant Monsanto
through the self inflicted bounds of OUR censored WTO program.
- instituted through the top secretly mastered puppet people
persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE
Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW

eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a
war. It is the prevention of crime, the enforcement of our
laws and the winning of justice for those damaged by their
infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of

Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

-

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a

bushite false accusing traitor of American Freedom To-day, and become a real Man in the presence of Johnny America, an actual Man of Men, Lord of Lords, and King of Kings.

McCain is insane
http://www.codemonkeyramblings.com/2007/02/they_say_that_insanity_is.php

McCain speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED.

Sorry everybody, but that's the way it's gotta be for my Life to have meaning terms.] Long story short: Females Rule, and wiseguy Johnny is Freedom King for this moment Being.

Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Be a friend if not an enemy,
Your buddy,

King Johnny

-

How is a Zionist Jewish?, I, the King of the Jews Messiah ask my fellow brothers and sisters everywhere. How? FOUR million land mines in Lebanon a godly act is it? Jew only roads not Aparthied, nor stealing a Christian's Home I suppose..? How?

An Oath Every Soldier Swears To God With

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again a Patriot Soldier whose only crime is that he refuses to commit a crime in Your name. Do something about it. You defend this Patriot American Citizen as if Your America depends upon it. The "Judge" who publicly forbids to hear Watada's freedom defense, an Oath every Soldier swears to God with, is a "Judge" who needs to be privately arrested for treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave

prisonized in a military dictatorship your 'neighbor' will say quietly of, (under his bushite breath,) good riddance to caring where my pusher's overdue payment goes to??. who the kcuf are you?? ... Eiiiaaahh! Jesus kills bushite for breakfast.

- On yet another, praise be with US, Alex Jones News Podcast -

Bob Watada: "He did his own research, and he found that there was not only deception, but clearly lying by the commander. Now if YOUR boss lied to you, and put YOU out on the line, so that you can get KILLED, what would you do?"

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

We all know Iran has been trying to help Iraqis openly, so then, what does such willful contempt for your life grant this 'spokesman'? Or, how about when Bush stated Iranians in Iraq deserved to be murdered? (Later, the demon re-worded himself in attempt to conceal HIS true evil identity.)

Remember the Bathists actually warred to kill and won against al-CIA-duh forces that were caught hiding in Kurdish territory. Killed "bin Laden"/bushite forces! Now, bushite tell US Sunni is in kahoots with Laden. (In otherwords, Kill a cowardly enemy of Life bushite for America to defend Iraqis as a godly act.) Death to the bushite, death to our enemies.

Light and Shadow

We need to publicly devise some real-world strategies to defeat the ungodly enemy, the bushite neocon zionist traitors to Life.

-

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "There were Harriers dropping 500lb bombs on buildings. If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children, then even, as in Fallujah, going house to house to murder every one, young and old as the truly Satanic. Just obeying lawless orders to thieve from Humanity as bushite for neocon zionist traitors of G-D doesn't fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Bill Sattler.

-

http://www.informationliberation.com/?id=19646

/ / to think that these could have been just dumb ideas or incompetence. \ \

Bushite TRAITORS got rid of the ORHA plan.

-

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

-

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again, a Patriot Soldier whos only crime is that he refuses to commit a crime in Your name. Do something about it.

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi whores, don't like those principles of freedom through evidentiary findings though, for their false deity, George W. bush Jr, wouldn't be stealing from the honest

hard working blokes who live for a better day that way.

/ / Four US oil companies, namely Conoco, Chevron, Amoco and Philips have concessions in nearly two thirds of Somalia. This quartet of oil conglomerates was granted these contracts in the final days of Somalia's deposed dictator, Siad Barre. The US first military engagement in Somalia was fully supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air force, responsible for blatant first degree acts of murder against the innocent, would be hunted down by Humans, tried, then executed gloriously in the defense of our living justly.

-

/ / Al-Maliki has promised he will no longer block action against the Mahdi Army militia \ \

So, is the block head saying American soldiers so far have died for lawless tyranny? Kill a bushite, to protect the lives of us as innocent victims in other words, right?

-

How Bush misled the world

http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Tenet further ingratiated himself by remaining silent about the OSP. "That's totally unacceptable for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. Lawless enemies to Creation, spreading their toxic waste who thieve, rape and murder without reprimand from corporate news america, shall, I pray daily, die justly in vengeances by the will of a real undying Love for our victimized innocent family. Justice for Humanity.

Please, help US.

Let US demand open radio communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he
had received anonymously, top secret presidential war strategy
documents dated September 9th, 2001, originating from
Condolezza's office, outlining a strategy to invade
Afghanistan premised on blaming bin Laden a terrorist, but
providing no evidence

"While the Pakistani Inter Services Public Relations claimed

8.

No evidence was brought against Laden for nine eleven, none.

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

It appears that our curmudgeon, Roger Wiseman, has elicited responses from you. Roger often posts to rec.radio.amateur.policy but also crossposts to your and other groups in hopes of causing problems.
Those who know of Wiseman and know what a Pink Panther he is also know of his antics and strip the added groups from our responses.
Sadly, when Roger Wiseman (of Glendale, West Virginia) responds he once again crossposts to your groups out of sheer meanness.
For more information concerning Mr. Wiseman, Google has a wealth of information concerning him. Mr. Wiseman is an Amateur Radio operator with a call sign of AB8MQ and a previous call sign of KC8JBO. A Google search of his callsigns will prove interesting reading.
One such tidbit is as follows:
GLENDALE, WV: The FCC sent a Warning Notice November 9, 1999, to General licensee Roger L. Wiseman, KC8JBO, citing evidence that the licensee had been "deliberately and maliciously interfering with the radio operations of other licensed amateurs" on 20 meters. "This interference has occurred at various times in the last several months and includes broadcasting music and other unidentified transmissions," said a letter from FCC Special Counsel for Amateur Radio Enforcement Riley Hollingsworth. Hollingsworth warned that continued operation of the type described could result in a fine or license revocation proceeding, and he requested that the licensee contact him to discuss the allegations.

We are all ashamed of Mr. Wiseman and there is not a single one of us who claim him as a friend.

But is this comment directed at me?
"Brian Griffey is a good friend of mine and he told me to tell you to
go to hell. Take that mini and shove it up your arse bitch."
I've been part of this NG since 1994, all be it with a different email
address, and not once have you disrespected me.
If I am mistaken, my apologies.

I must add however, there is a twat on A Ham radio NG who Lurks here
and cross posts to a certain Jeep NG continually and is completely
pissing everybody off.

Wrong. YOU are the reason most folks have left rram AND the reason a
moderated group was formed to keep you out.
To accuse others is delusional on your part and yet another of your outright
Mark Morgan lies. YOU turned rrap into a cesspool with your inane floods
often numbering in the hundreds per day.

The FCC issued an Order of Dismissal and Termination against Jack R. Sharples of Florida concerning his application for a new Amateur Radio license. Sharples is a convicted felon and registered sexual offender. His conviction raises questions as to whether he possesses the proper character qualifications to be a Commission licensee. Sharples had 20 days to respond to the hearing designation order. He ultimately withdrew his application.

Great.

We deny him any diversion from his perversions. A sure way to guarantee
no rehabilitation takes place.

But then, hams are a mixed bunch. I strongly suspect there are just as
many criminals and perverts in our ranks as exists in the general
population, well, if lawyers, doctors, police officers and priests are
any indication, anyway ... :-(

The nature of human nature is something I am embarrassed to participate

Your admission that you have a tiny penis is noted, Ray. Now drink up
those cumwads you are so fond of, is Marqueer giving you lessons
again?

No, 180 pounds is not fat, stupid. Now, Marqueer, tell us why you are
a gimp and was discharged from the Army for being overweight, or so
you say......

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company. This listserv covers mainly Class I (life-threatening) recalls. A complete listing of recalls can be found in the FDA Enforcement Report at: http://www.fda.gov/opacom/Enforce.html

Harry & David Recalls Harry and David Hearthside Soups, Southwestern Chicken Chili Mix for an Undeclared Milk Ingredient

Contact:
Bill Ihle
541-864-2145
FOR IMMEDIATE RELEASE -- Medford, OR -- September 12, 2007 -- Harry & David Operations Corp., of Medford, Oregon, is recalling approximately 1440 bags of Harry and David Hearthside Soups, Southwestern Chicken Chili Mix, because they may actually contain another chili soup mix, and thus contain a milk ingredient (whey), not declared in the ingredient statement.

People who have an allergy or severe sensitivity to dairy products run the risk of serious or life-threatening allergic reaction if they consume these products.

Harry & David is recalling all Harry and David Hearthside Soups, Southwestern Chicken Chili Mix with a 8221-1 lot code. These products include: Clear plastic bags of soup mix, 12 to 16 oz. in weight, tied at the top with a cream and red colored ribbon. The lot code can be found on the price sticker on the bottom of the bag. Please note that the price sticker states "Fajita Chili". This product was made for Harry & David by Conifer Specialty, Inc., a co-packer.

These products were distributed throughout the United States through Harry and David Stores beginning March 5th, 2007.
There have been no reported illnesses associated with this product to date. Anyone concerned about an illness associated with this product should contact a physician immediately.

This problem occurred when bags labeled for a previous run of Southwestern Chicken Chili Mix were inadvertently used for a subsequent run of a different product, Fajita Chili Mix. The Fajita Chili Mix contains a milk ingredient not declared on the Southwestern Chicken Chili Mix ingredient statement. The problem will be prevented in the future by assuring that the production line is cleared of labeled bags during product change over.

Consumers with questions about the recalled product may phone the Customer Service division at 800-345-5655, 24 hours a day. Customers may arrange for refunds through this number as well.

Space Weather News for Sept. 14, 2007
http://spaceweather.com

On Sept. 13th a remarkable fireball split the skies over New Mexico. Witnesses say it "turned night into day" and reminded them of a full Moon hurtling across the sky. In fact, it was brighter than a full Moon. At least two all-sky cameras captured the event while one amateur astronomer recorded radio echoes from the fireball's ionized trail. What was it? Probably a piece of reentering space junk, but this is not yet certain. Visit http://spaceweather.com for updates plus sights and sounds of the Great New Mexico Fireball.

Does your war record play at 33 or 45rpm?

Jim Boob lames at the core temperature of absolute zero noted.
You're the one that brought up 33 or 45 rpm, Jim Boob. Put down that crack pipe, BOY.

I wish rqz was as big of a fag as you assholes claim he is.Because then
I would ask him to distribute Gordo's newest and greatest tech manual to
his fag friends. That way, they could use the local 2 meter repeater to
make dates.
Of course it's ironic how much you hammy's hate Mark. You tards are the
very group that screwed amateur radio in the first place, turning a once
great hobby into nothing more than cb with a license. Now the doors are
wide open! Don't hate Mark! Celebrate Mark!
Hams have insured the destruction of amateur radio just by being themselves.

Oh? While your Hero, Mark has single-handedly flamed and spammed this
newsgroup into near oblivion?
Oh, yes. I'll "celebrate" Mark when his ISP cancels his Hughes subscription.
This group used to be user friendly, until Mark came on scene and proceeded
to flame with fifty, sixty, seventy and more posts per day.
You can bow down at the Mark Morgan altar if you wish, but the rest of us
will continue to view him as an interloper with no redeeming values.
By the way. This is still a great hobby. Perhaps that has escaped your
narrow view.

They don't hate him as much as they love fucking with him. Thats what they
do. But Mark supplies them with plenty of material.The crazy fucker claimed
in a post he had a combat injury which resulted in a discharge (no pun
intended).

Not true. Everyone here is to blame on an equal basis.

I'm sure he will drop hughes when BPL comes to his neighborhood.

If is so "great" WTF are you doing wasting valuable "radio play time" here
on usenet?
You're a useless idiot!

I hope you enjoy your new BPL connection. MUCH better use of spectrum then
the nightly 75 meter rants or nurds playing with their little 2 meter Ht's.

If only the great hams within this group were able to reign in Robesin
this would still be a viable medium for hams.

They wouldn't and it isn't.

Between ridding the newsgroup of Robesin and that other white trash stool from Glendale, By God, West Vagina, this would be an excellent newsgroup to discuss some actual information. However, between those turds its pretty much impossible to generate discourse here because of their vast amount of spamming over the years.

2616. Candidate for ARRL Southwestern Division Director Disqualified

Candidate for ARRL Southwestern Division Director Disqualified; Norton Declared Re-Elected:

Carl Gardenias, WU6D, the challenger seeking the position of ARRL Southwestern Division Director, was declared disqualified Thursday by the ARRL Ethics and Elections Committee. Gardenias was running against incumbent Richard "Dick" Norton, N6AA. Due to the disqualification, the Committee has declared Norton re-elected.

According to ARRL CEO David Sumner, K1ZZ, writing on behalf of the Committee, an e-mail signed by "Cathy K6VC, Newsletter editor" was sent on behalf of Orange Section Manager Carl Gardenias to ARRL Orange Section newsletter editors and Web masters, among others, on September 1 regarding the Southwestern Division election for Director and Vice Director. The e-mail encouraged "ARRL Full members to vote and vote wisely" in the upcoming election. Recipients were also asked to encourage clubs to "post to their websites and into their newsletter information regarding each candidate," and went on to list information, including e-mail addresses and campaign Web sites, for the two Director candidates and four candidates for Vice Director. Cathy Gardenias, K6VC, is Assistant Section Manager for the ARRL Orange Section and the wife of Carl Gardenias.

The information given in Cathy Gardenias' e-mail was incorrect, in that the e-mail address for Norton was wrong. The e-mail also stated that Norton and Vice Director candidate Marty Woll, N6VI, did not have campaign Web sites, when in fact they did.

Cathy Gardenias' e-mail went on to say that "Since all candidates are listed with e-mails and websites if they have one, there is no show of favoritism or bias. Please vote. Approved by the ARRL k1zz."

The ARRL Ethics and Elections Committee received a complaint regarding the misinformation and concluded that the email violated the standard of "truthful and not misleading" that applies to candidates' mailings. It instructed Sumner to notify Carl Gardenias that "a correction must be circulated to everyone who received the incorrect information, i.e. everyone on the above distribution list and anyone else to whom it may have been sent." Carl Gardenias was also told that should he "become aware of any postings of the original, uncorrected item, you should immediately endeavor to have them corrected or removed."

Specific language for the correction was supplied by the committee. It was to list correct e-mail addresses for each candidate, including Norton, and to supply the Web site addresses for Norton and Woll that

had been missing from the original message. It was to further state, "Finally, the item was NOT approved by the ARRL or K1ZZ, as incorrectly stated," and that "The Orange Section regrets the errors and apologizes to those affected."

Carl Gardenias acknowledged receipt of Sumner's September 5 e-mail. On September 7, having seen no evidence of compliance with the Committee's directive, Sumner sent him another e-mail, asking for a copy of the correction that Gardenias was supposed to have sent out. Gardenias replied via e-mail, "OK on Monday we are at the convention," meaning the ARRL Southwestern Division Convention. Since that response, Gardenias has not communicated with Sumner, "nor has any evidence of your compliance with the committee's orders been received," according to an e-mail Sumner sent Gardenias September 13.

In that e-mail, Sumner reminded Gardenias that he was previously advised that "candidates' statements 'must be truthful and not misleading, which matters will be conclusively determined by the Election Committee.' The standard of truth applies to all mailings by a candidate. The email that was sent on your behalf on September 1 violated this standard, as documented in my September 5 message. You failed to follow the instructions of the Ethics and Elections Committee to make a timely correction, although you had ample opportunity to do so."

Sumner advised Gardenias that he has "been disqualified as a candidate for the office of Director of the Southwestern Division. Your name will not appear on the ballot." Since Dick Norton is the only eligible candidate, Sumner said, the Committee has declared him re-elected.

Fri 2007-09-28 16:04 UTC 82 deg via WH6PN

Smithsonian Air and Space Museum, Washington, DC., telebridge via
WH6PN
Contact is a go for: Sat 2007-09-29 16:28 UTC 16 deg

The audio for this event will be fed into the EchoLink *AMSAT* (101
377)
and *JK1ZRW* (277 208) Conference Room servers. The audio from this
event
will also be fed into the IRLP Discovery Reflector 9010. We hope to
have
good two way audio from this contact.

As we do normally, as soon as audio is suitable for transmission over
amateur radio, we start feeding audio of set up activities from about
25
minutes prior to the start of the actual contact into EchoLink for
listeners who enjoy listening in on these proceedings.

Please note that there are automatic breaks in the audio transmission
every
2.5 minutes during the event and while we listen to preparations going
on
for this contact. Each audio break is approximately 1 second long.
Please
configure your systems to not time out during times of inactivity or
ongoing audio transmissions.

For everyone's information and future reference. When any ARISS event
is
supported through the IRLP "Discovery" Reflector 9010, audio is
automatically streamed to the Internet.

It is then available via the "Discovery" Reflectors companion web site

www.discoveryreflector.ca . Once on its main page, select "Live Streaming
Audio" on the left side bar and follow the prompts.

More directly the URL is as follows:
www.discoveryreflector.ca:8000/listen.pls

The audio on the Internet is typically delayed by about two minutes.

feeds into EchoLink, please send me an e-mail to that effect and will be
glad to oblige.

McCarthy was called all manner of bad things by the very Communists he
exposed.

So it would appear you are a Communist.

After all..the Venona files proved him to not only be right, but
underestimated the numbers of Communists who had penetrated
government, cinema and so forth.

Sure you didnt write for Pravda? I recognize the disinformation
techniques you employ.

The ARRL is a obsolete bunch of SUCKWADS who's only
goal is to maintain a tax-exempt publishing company to
snocker dumbshit hams out of money to get their half-assed
magazine. (oh, the black ink from the el-cheapo printing service
they use still blackens your fingers when you thumb thru it)
Just a monthly toilet-room rag that's 70% advertisments.

ام وه االسالم What is Islam?

Islam and Muslims

Islam is an Arabic word which means total submission to God, peace, purity, acceptance and commitment. As a religion, Islam calls for complete acceptance of the teachings and guidance of God. A Muslim is one who freely and willingly accepts the supreme power of God and strives to organize his life in total accord with the teachings of God. He also works for building social institutions which reflect the guidance of God. "Muhammadanism" is a misnomer for Islam and offends its very spirit since the Prophet Muhammad was a messenger of God, and not a divine being worshipped by Muslims. Muslims use the word "Allah" for the English word "God". The understanding of Deity in Islam differs from some of the connotations in the English word, God. For the convenience of English speaking readers, the word God is used in this brochure except when the word "Allah" is in the quotations from the Qur'an.

Continuity of The Message
Islam is not a new religion. It is, in essence, the same message and guidance which God revealed to all His previous messengers. "Say: We believe in Allah and that which was revealed to us, and that which was revealed to Abraham and Ishmael and Isaac and Jacob and the tribes and that which was given to Moses and Jesus and to the Prophets from their Lord; We make no distinction between any of them, and to Him we submit". Qur'an 3:83. The message which was revealed to the Prophet Muhammad (peace be upon him) is Islam in its comprehensive, complete and final form.

The Five Pillars of Islam
Every action done with the awareness that it fulfills the Will of God is considered an act of worship in Islam. But it is the specific acts of worship termed the Pillars of Islam which provide the framework of Muslim spiritual life. These are given below:

1. The DECLARATION OF FAITH. "I bear witness that there is no one worthy of worship except God (Allah), and that Muhammad is His servant and messenger." The Prophethood of Muhammad obliges Muslims to follow his exemplary life in every respect.

2. PRAYERS are prescribed five times a day as a duty towards God. Prayer strengthens and enlivens belief in God and inspires man to higher morality. It purifies the heart and controls temptation, wrong-doing, and evil.

3. FASTING during the month of Ramadan. This means abstention from food, beverages, and sex from dawn to sunset, and curbing evil intentions and desires. It teaches love, sincerity, and devotion. It develops patients, unselfishness, social conscience, and willpower to bear hardship.

4. ZAKAH is a proportionately fixed contribution collected from the wealth and earning of the well to do and rich. It is spent on the poor and needy in particular, and the welfare of the society in general. The payment of Zakah purifies ones income and wealth and helps to establish economic balance and social justice in the society.

5. HAJJ, or pilgrimage to the Ka'bah in Makkah, once in a lifetime, provided one has the means to undertake the journey.

Oneness of God
Islam enjoins faith in the oneness and sovereignty of God, which creates an awareness of the unity and meaningfulness of the universe and of man's place in it. This belief frees him from all fears and superstitions by making him conscious of the presence of the Almighty God and of man's obligations to Him. But this realization must be expressed and tested in action. Faith alone is not enough. Belief in one God requires that we look upon all humanity as one family under the universal omnipotence of God - the Creator and Nourisher of all. Islam rejects the idea that there is a "chosen people" making pure intention, faith in God, and good deeds the only way to heaven. Thus a direct relationship is established with God, open to all alike, without any discrimination or intercession.

The Qur'an and Hadith
The Qur'an is the last revealed word of God and the basic source of Islamic teachings and laws. It deals with a variety of subjects including the basic beliefs of Islam, morality, worship, knowledge, wisdom, God-and-man relationships, and relations among human beings. Comprehensive teachings on which sound systems of social justice, politics, economics, legislation, jurisprudence, law and international relations can be built from an important part of the Holy Qur'an. Though Prophet Muhammad did not receive a formal education, the Qur'an, as soon as it was revealed to him in the spoken word, was committed to writing by his secretaries. In this way every word was written down and preserved during his lifetime by his companions. The original and complete text of the Qur'an is in Arabic and translations of its meaning in most known languages are available in major libraries and bookstores. Hadith, the teachings, sayings and actions of Prophet Muhammad, accurately reported and collected by his devoted companions, explain and elaborate the Qur'anic verses.

Concept of Worship
Islam does not teach ritualism. It places great emphasis on intention and action. To worship God is to love him and to act upon His commands in every aspect of life, to enjoin goodness and forbid wrong-doing and oppression, to practice charity and justice and to serve Him by serving mankind. The Qur'an presents this sublime concept in the

following manner: "It is not righteousness that you turn your faces to the East or West, but righteous is he who believes in Allah and the Last Day and the Angels and the Scripture and the Prophets; and gives his wealth for love of Him to kinsfolk and to orphans and the needy and the wayfarer and to those who ask, and sets slaves free; and observes proper worship and pays the Zakah. And those who keep their treaty when they make one, and the patient in tribulation and adversity and time of stress; such are those who are sincere. Such are the Godfearing". Qur'an 2:177.

Man, A Free Agent
Man is the highest creation of God and he has a free will to make his own decisions. God has shown him the right path, and the life of Prophet Muhammad provides a perfect example for achieving success and salvation. Islam stands for the sanctity of human personality and confers equal rights on all without distinction of race, nationality or sex. The law of God set down in the Qur'an and exemplified in the life of the Prophet is supreme in all cases. It applies equally to the prince and the pauper, the ruler and the ruled, the saint and the sinner.

Man's Accountability to God
Man's life is not limited to the short span of earthly existence. On the day of judgement the entire human race will be resurrected; everyone will appear before the Almighty God and face the consequences of his deeds in this life. Thus, life in the Hereafter is a continuation of the earthly life. Belief in man's accountability to God gives a sense and meaning to life and differentiates human beings from animals and inanimate objects. It serves as a reminder against crime, corruption, immorality, and injustice.

Human Rights
Islam protects all noble values and human rights. Freedom, equality, justice, and the right to life, liberty, and security of person are of prime concern in Islamic law. "Whosoever kills a human being for other than manslaughter or corruption in the earth, it shall be as if he had killed all mankind, and whosoever saves the life of one, it shall be as if he had saved the life of all mankind..." Qur'an 5:32. Islam places great emphasis on social justice. It opposes all those who exploit, oppress and deal unjustly with people. " O ye who believe: Be steadfast witnesses for Allah in equity and let not hatred of any people seduce you that you deal not justly. Be just; that is nearer to piety". Qur'an 5:8.

Science and Technology
Islam encourages the use of science and the scientific method. Acquisition of knowledge is obligatory on every Muslim, male and female. In Islam, science and technology should be used for moral ends and serve all legitimate needs of mankind. Moreover, both are viewed as yet another means to understand and see the power and glory of God. "He it is Who created for you all that is in the earth." Qur'an 2:29.

"It is your Lord, the Most Bounteous, Who taught by the pen, taught man that which he knew not..." Qur'an 96:2- 5. "We shell show them our Signs on the horizons and within themselves until it will be manifest unto them that it is the Truth..." Qur'an 41:53.

Islam: The Cure for Modern Ailments
Racism is a major problem in many materially advanced countries. Prejudice and discrimination against racial groups is common phenomenon even today. For 1400 years Islam has shown in practice how racism can be ended. The Islamic social scene, particularly during the Hajj, is a unique example of the brotherhood of men of all races and nations under One God. Similarly, the family, the basic unit of civilization has also become something of a problem in the West. It is in visible decay. The family system of Islam brings the rights of husband, wife, children, and relatives into a fine equilibrium. Islam nourishes generosity in the family and holds it together under the clear Qur'anic laws and teachings of the Prophet Muhammad, peace be upon him.

Some Misconceptions About Islam
It is unfortunate that some teachings of Islam have been distorted and misrepresented in the West and the communist world. The main distortions relate to the status of women, marriage and divorce, jihad or so-called "holy war", the authenticity of the prophethood of Muhammad (peace be upon him), and the distinction between the Qur'an and the Hadith. The accurate teachings of Islam on these matters can be obtained only from authentic Islamic writings.

Even A Smile...
What do money, a good word, and removing something
harmful from the road have in common?

Giving charity is such an important part of Islam that even the Arabic word tasaddaqa (to
give charity) comes from the root sadaqa meaning to speak the truth, to be sincere. Sadaqah (voluntary charity) is different from zakah, the compulsory alms that are collected every year.
A Muslim shows his sincerity of faith and attains piety by being generous:

Ye will not attain unto piety until ye spend of that which ye love. And whatsoever ye spend, Allah is aware thereof. (Aal `Imran 3:92)

There are dozens of verses in the Qur'an in which Allah (God) tells Muslims to give in charity. Sometimes this charity is in expiation for a wrongdoing, and other times it is an acknowledgment that everything one "owns" is in fact a trust from Allah and that anything spent in the way of Allah will be paid back in full and multiplied on the Day of Judgment. In fact, the Qur'an in places calls this spending "a beautiful loan."
Muslims are enjoined to give charity without reproach to the recipient. It is also better for them to give secretly rather than openly, so that their intention is entirely to gain the pleasure of Allah and not to gain the admiration of people.

A kind word with forgiveness is better than alms giving followed by injury. Allah is Absolute, Clement. O ye who believe! Render not vain your alms giving by reproach and injury, like him who spendeth his wealth only to be seen of men and believeth not in Allah and the Last Day.... (Al-Baqarah 2:263 - 64)

It is easy to give money as charity when one is wealthy, but the best charity is given when one fears poverty, for one must then sincerely trust in Allah's reward.

When the Prophet Muhammad was asked which charity is best, he replied, "That you should give charity (in a state when you are) healthy, closefisted, haunted by the fear of poverty and hoping to become rich (charity in such a state of health and mind is the best). And you must not defer (charity to such a length) that you are about to die and would be saying: This is for so and so, and this is for so and so. Lo, it has already come into (the possession of so and so)."

Even the money that a person spends on his family counts as charity if his intention is for Allah. The Prophet (peace and blessings be upon him) said, "When a Muslim spends on his family seeking reward for it from Allah, it counts for him as charity."

And a woman may give charity of her husband's earnings. `A'ishah, the wife of the Prophet reported that he said, "When a woman gives in charity some of the food in her house, without causing any damage, there is reward for her for whatever she has given, and a reward for her husband for what he earned. The same applies to the trustee. In no respect does the one diminish the reward of the other."

In fact, Prophet Muhammad told his followers that sadaqah (voluntary charity) is incumbent upon them every single day. But this sadaqah can take many forms:
"There is a (compulsory) sadaqah (charity) to be given for every joint of the human body (as a sign of gratitude to Allah) everyday the sun rises. To judge justly between two persons is regarded as sadaqah; and to help a man concerning his riding animal, by helping him to mount it or by lifting his luggage on to it, is also regarded as sadaqah; and (saying) a good word is also sadaqah; and every step taken on one's way to offer the compulsory prayer (in the mosque) is also sadaqah; and to remove a harmful thing from the way is also sadaqah."

Thus, even those who have little or no extra money can give charity. For them, there is still reward in good deeds done for the pleasure of Allah with no expectation of remuneration in this life. Elsewhere, the Prophet told even more ways that Muslims can give charity.

The Prophet said, "Giving charity is obligatory upon each Muslim." It was asked, "What do you say of him who does not find (the means) to do so?" He said, "Let him do manual work, thus doing benefit to himself and give charity." It was asked, "What about one who does not have (the means) to do so?" He said, "Then let him assist the needy, the aggrieved." It was asked, "What do you say of one who cannot even do this?" He said, "Then he should enjoin what is reputable or what is good." He asked, "What if he cannot do that?" He (the Prophet) said, "He should then abstain from evil, for verily that is charity on his behalf."

Muslims are also encouraged to establish an ongoing charity whose rewards they will continue to reap after their deaths. This can be knowledge that is passed on in a book or other form, fruit trees from which the poor may eat, or an endowment.

Thus sadaqah, in whatever form, should be a part of the Muslim's daily life. Such charity strengthens the Muslim's piety, turns his intentions to his Creator, and spreads wealth and goodwill among the community

Significance of Pilgrimage (Hajj)

Devoted believers of different religions isolate themselves from people in order to purify their hearts. In the quest for intimacy with the divine, they retreat to mountain caves, monasteries, or hermitages and prefer solitude to the company of others.

God has favored Islam - as the last Testament - with Hajj (pilgrimage to Makkah) to be the Islamic form of monasticism when a set period of time is devoted by the pilgrims' rituals and performance to the task of freeing minds and hearts from all worldly concerns. The pilgrim seeks to pursue a unique form of collective worship of Allah and seeks closeness to Him in the one and only location chosen by Him.

If the pilgrim understands where Hajj really stands in Islam, he will notice in himself a process of spiritual transformation through the rituals. Every step of Hajj serves as a reminder, a sign of submission to Allah, an instructive tool for self discipline and piety, and an exhortation to the faithful aspirant.

As Hajj provides every pilgrim with tranquility of heart, inner purity, and fullness of understanding of his existence in the cosmos, every single step should recall the ideas of the creation, glory of divine transcendence, and the unity of the believers that crosses boundaries and ethnic and gender diversities. In the heart of every aspect of Hajj is some reflection signifying the Hereafter.

Submission to the One and Only God

In Islam, God should be the goal of the human heart. Since Allah has attributed the Ka'bah to Himself, this connection is enough in itself to make one yearn for this blessed location and its surrounding space.

The pilgrim should always be aware that the moment he leaves his family and homeland behind, his resolve should be purely for the sake of Allah, untarnished by hypocrisy and desire for any personal material gain. He should be fully aware that only what is sincere in his intention and action will be accepted and cherished by Allah.

The Bond of Faith

If the pilgrim hopes his visit is to be accepted, he should carry out God's commands, cast off iniquities, repent for all acts of disobedience, and sever his heart's connection from all worldly concerns during Hajj. Then he can turn to Allah as he turns his face in the direction of the Ka'bah in each prayer. Unless the pilgrim does

so, he will get nothing from his journey except trouble and hardship at the outset, and dismissal and rejection at the end.

Leaving his house, the pilgrim should know that he has now left hearth and home, bound for God on a journey unlike any worldly voyage. The seamless garments worn in the state of ihram (consecration) remind him of the shroud he will wear after death. The pilgrim should be conscious at heart of what he wishes, where he is heading, and Whom he intends to reach. Allah is the Host of the visitors to His House who have been summoned and have answered the call, in whom a great longing has been awakened.

The diversity of the pilgrims reflects the diversity of all humankind at the assembly point on the Day of Resurrection. The separation from family and relatives should put the pilgrim in mind of the desolation and solitude of the tomb, where he will find nothing to relieve his agony but his hope in God's love and mercy.

Observing Ihram

Responding to the summons of Allah, one should recall that mankind will be summoned and gathered together at the site of resurrection, responding to Allah's call. They will be divided into the favored and the abhorred, the accepted and the rejected. Exactly like the pilgrims at the assembly point, they will be oscillating initially between fear and hope, when they do not know whether or not they will be enabled to complete their pilgrimage and whether their deeds have been accepted by Allah.

As the pilgrim reaches Makkah, he should remember that he has arrived safely at the Sanctuary of Allah. Allah has chosen to attribute the Ka'bah to His own Self because it was the first place established on earth for devotion of the One God. Prophet Ibrahim (Abraham) and his son Isma'il (Ishmael) once shared in building it, long before the time of Prophet Muhammad. Entering the Holy Sanctuary, the pilgrim should naturally dread not being worthy to approach Allah. Yet his hope should be uppermost, for Allah is Generous and Compassionate, the honor of the House is tremendous, the visitor's right is respected, and protection is assured for all who seek refuge.

The pilgrim's heart should be filled with reverence, fear, hope and love, especially during tawaf (circumambulation of the Ka'bah). One should not suppose that the purpose of it is the physical circumambulation of the House. It is not a body rotating around another physical body. The true purpose is the circling of the heart around remembrance of the Lord of the House, making Allah (God) the center of his life. The heart should reach a point when consciousness begins with Allah alone and ends with Him alone, just as the circumambulation starts from a point around the House and ends at that same point.

Supplication at the Mount of Arafat

Standing at Arafat, pilgrims gather for supplication with their different tongues and different ethnic backgrounds, which recalls the site of resurrection. When their aspirations are joined, their hearts become devoted exclusively to humble supplication and entreaty, their hands raised to Allah, their necks outstretched, and their eyes turned heavenward as they aspire of one accord in quest of mercy.

They should not suppose that God will disappoint their hopes, frustrate their endeavor, or begrudge them an overwhelming mercy. It is said that it is a grievous sin for a Muslim to attend the standing on Arafat and to imagine that Allah has not forgiven him, as it would be doubting Allah's infinite compassion and generosity. The conjugation of aspirations and the strength derived from contiguity constitute the secret of pilgrimage and its ultimate purpose. There is no way to obtain Allah's mercy in such abundance as by the conjugation of aspiration and the simultaneous mutual support of all hearts.

Visiting the City of God's Messenger

Muslims regard Prophet Muhammad to be the moral example and chosen guide for mankind. He is the last prophet who received the last Testament to complete the revelation of the Old and New Testaments that were revealed to the Prophets Musa (Moses) and 'Isa (Jesus). Visiting his tomb at Madinah is not an essential obligation to make Hajj valid or complete. Honoring him remains a matter of the heart, and a Muslim proves his love towards the Prophet by following his path of Islam.

However, it is strongly recommended that whoever can reach Madinah should visit the Prophet's burial place to pay his respect to the greatest teacher that the world has ever known. Remembering his struggle for justice and equality, the Muslim knows in his heart that Muhammad was a humble human being. His message was sacred, but he died like any other human being and the ultimate sacredness and divinity remains for Allah only.

Aware that Prophet Muhammad's precious steps have trodden in every place around Madinah, the pilgrim ought to walk with dignity and caution, recalling the Messenger's humility and graceful gait. The purpose should be pure love for the Prophet and longing to behold his city of refuge and early Islamic society.

Visiting the tomb should be controlled by the most decent manners, for visiting a Prophet in death should be as visiting him in life. One should approach the tomb as he would approach the noble person of the Prophet if he were still alive. Touching and kissing the tomb is not allowed. Muslims' respect and love is not for the walls or stones of any tomb, not even that of the Prophet, but should be for the great message and the noble person who strived to convey it throughout his life.

To conclude, throughout Hajj, the pilgrim should watch the duties of his heart at all stages. He will realize if he has been accepted or

not by watching his heart and its conduct. If he finds his heart adverse to this world and inclined to be intimate with Allah, then he may count on acceptance, for Allah accepts only those whom He loves.

Throughout the performance of Hajj, the pilgrim can easily observe that it is a course of spiritual enrichment and moral rearmament, a journey of intensified devotion and disciplinary experience, a course of humanitarian interests and inspiring knowledge, all put together in one single Pillar of Islam.

2695. PEN QSO party

Newsgroup: rec.radio.amateur.policy

Good day all

The Pennsylvania QSO Party is being held October 13 and 14, 2007.

The Pennsylvania QSO Party is celebrating it's 50th anniversary as the
Friendly QSO Party.

A number of changes have been made to the party this year.

As usual Pennsylvania Ops work PA Counties, ARRL and VE sections, and
DX. Out of state Ops work PA Counties. Counties and sections earn
multipliers. Available modes are CW, SSB and FM, PSK 31 and RTTY.

CW Contacts are worth 2 points per QSO on 80 meters and 160 meters,
and
1.5 points on 40 and above.

RTTY and PSK contacts are worth 2 points each.

SSB and FM contacts are worth 1 point each.

Contact with the Special Event station is worth 200 points.

Double score for QRP.

Mobile stations earn 500 point bonus for each county.
see rules for details.

Rover Stations earn 500 point bonus for each Operating position
see rules for details.

Certificates for all county and section winners, plaques for class
winners.

For those not familiar with the PAQSO Party, a lot more info can be
found at:

http://www.nittany-arc.net/paqso.html

Changes:

The PSK31 and RTTY classes tried as an experiment last year, are now
included as a regular part of the party.

The rules have been greatly expanded due to popular demand. Instead of
a
one page rule sheet, we have added definitions and clarifications
where
needed. While the rules of the party are more or less the same as last

year, the bands of operation have been defined, classes have been defined, and a few other tweaks have been added. County line station qualifications have been defined.

We have added a few new plaque classes.

A 20 meter "Good Neighbor" plaque has been added to encourage PA operators to get on 20 meters and operate more Out of State Ops.

An SSB only plaque has been added to complement the CW only plaque

A new class has been added - Multi Op Multi Transmitter Portable. This corrects a weird rule situation in which people who wanted to operate at
say a camp with several friends and a couple transmitters had to either
operate as a one location rover or could operate as a portable, but not
compete Since MM portable sounds like one major lot of fun, it was the least we could do.

The club award has been reinstated. Sum the scores from OPs in your club
and highest count wins. Trophy for first place, second through fifth get
certificates.

The extension of the rules prompted another change.

Since the rules changes brought the rules to 8 pages, and that would double the size of the party mailings, it was decided to eliminate the mailings. Results and announcements are taking place via PDF file. In addition, this will enable the party results to come out much sooner than before. Given the universality of Adobe Reader these days, this should end up as a very positive change. The pdf's will be emailed out to recent party participants, or they can be downloaded from the Web site at:

http://www.nittany-arc.net/paqso.html

Certificates will still be printed and mailed by the party committee.

In order to ensure more rapid and accurate delivery of party promotional
items, a T-Shirt Czar is being appointed so that that part of the post party work is accomplished in tandem with the scoring. There will be a special and new design 50th anniversary T-Shirt this year, as well as new design Coffee Mugs.

We are having a different special event station this year. There will be
5 stations distributed in the state operating under the W3P special event call sign. One of the stations will be in mobile operation, and the others will be in fixed position.

A 50th Anniversary certificate will be sent to stations who make
contact
with all 5 Special event stations. To qualify, work all 5 stations,
and
send a SASE to:

PAQSO Party 2007 c/o NARC
P.O. Box 614
State College PA 16804-0614

For the future.......

In 2009, the 1.5 point CW QSOs are going away. At that point, all CW
QSOs will be worth 2 points.

County line stations point value will be revisited in the off season.
We
will possibly be giving out 1 QSO point per claimed county, instead of
1
QSO for the entire communication.
